The Know Nothings

**Edwin Wiley, Irving Everett
Rines, Albert Bushnell Hart**

The Know Nothings:

The Rise and Fall of the American Whig Party Michael F. Holt, 2003-05-01 Here Michael F Holt gives us the only comprehensive history of the Whigs ever written He offers a panoramic account of the tumultuous antebellum period a time when a flurry of parties and larger than life politicians Andrew Jackson John C Calhoun Martin Van Buren and Henry Clay struggled for control as the U S inched towards secession It was an era when Americans were passionately involved in politics when local concerns drove national policy and when momentous political events like the Annexation of Texas and the Kansas Nebraska Act rocked the country Amid this contentious political activity the Whig Party continuously strove to unite North and South emerging as the nation s last great hope to prevent secession *Nativism and Slavery* Tyler Anbinder, 1992

An examination of the Know Nothing Party founded in the USA in 1854 as a political protest against the granting of American citizenship to Catholic immigrants It studies how such a party managed to elect eight governors and 100 Congressmen as well as thousands of local officials by 1855 **Death of a Nation** Dinesh D'Souza, 2018-07-31 The 1 New York Times

bestselling author tackles the biggest lie of the left that America is a society based on white supremacy Now a major motion picture Who is killing America Is it really Donald Trump and a GOP filled with white supremacists In a major new work of historical revisionism Dinesh D Souza makes the provocative case that Democrats are the ones killing America by turning it into a massive nanny state modeled on the Southern plantation system This sweeping alternative history of the Democratic Party goes back to its foundations in the antebellum South The slaveholding elite devised the plantation as a means of organizing labor and political support It was a mini welfare state a cradle to grave system that bred dependency and punished any urge to independence This model impressed northern Democrats inspiring the political machines that traded government handouts for votes from ethnic immigrant blocs Today s Democrats have expanded to a multiracial plantation of ghettos for blacks barrios for Latinos and reservations for Native Americans Whites are the only holdouts resisting full dependency and so they are blamed for the bigotry and racial exploitation that is actually perpetrated by the left *Death of a Nation* s bracing alternative vision of American history explains the Democratic Party s dark past reinterprets the roles of figures like Van Buren FDR and LBJ and exposes the hidden truth that racism comes not from Trump or the conservative right but rather from Democrats and progressives on the left *The United States* Edwin Wiley, Irving Everett Rines, 1913

Lectures on the Growth and Development of the United States Edwin Wiley, Irving Everett Rines, Albert Bushnell Hart, 1916 [The American South](#) William J. Cooper Jr., Thomas E. Terrill, 2008-10-23 In *The American South A History* Fourth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of

profoundly new scholarship in Southern history Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South's unanticipated role in the 2008 presidential primaries
