The Last Warrior Andrew F Krepinevich, Barry D Watts, 2015-01-06 Andrew Marshall is a Pentagon legend For more than four decades he has served as Director of the Office of Net Assessment the Pentagon s internal think tank under twelve defense secretaries and eight administrations Yet Marshall has been on the cutting edge of strategic thinking even longer than that At the RAND Corporation during its golden age in the 1950s and early 1960s Marshall helped formulate bedrock concepts of US nuclear strategy that endure to this day later at the Pentagon he pioneered the development of net assessment a new analytic framework for understanding the long term military competition between the United States and the Soviet Union Following the Cold War Marshall successfully used net assessment to anticipate emerging disruptive shifts in military affairs including the revolution in precision warfare and the rise of China as a major strategic rival of the United States In The Last Warrior Andrew Krepinevich and Barry Watts both former members of Marshall s staff trace Marshall s intellectual development from his upbringing in Detroit during the Great Depression to his decades in Washington as an influential behind the scenes advisor on American defense strategy The result is a unique insider s perspective on the changes in US strategy from the dawn of the Cold War to the present day Covering some of the most pivotal episodes of the last half century and peopled with some of the era s most influential figures The Last Warrior tells Marshall s story for the first time in the process providing an unparalleled history of the evolution of the American defense establishment

The Last Utopians Michael Robertson, 2020-04-28 The Last Utopians delves into the biographies of four key figures Edward Bellamy William Morris Edward Carpenter and Charlotte Perkins Gilman who lived during an extraordinary period of literary and social experimentation The publication of Bellamy s Looking Backward in 1888 opened the floodgates of an unprecedented wave of utopian writing Morris the Arts and Crafts pioneer was a committed socialist whose News from Nowhere envisions a workers Arcadia Carpenter boldly argued that homosexuals constitute a utopian vanguard Gilman a women s rights activist and the author of The Yellow Wallpaper wrote numerous utopian fictions

including Herland a visionary tale of an all female society These writers Robertson shows shared a belief in radical equality imagining an end to class and gender hierarchies and envisioning new forms of familial and romantic relationships They held liberal religious beliefs about a universal spirit uniting humanity They believed in social transformation through nonviolent means and were committed to living a simple life rooted in a restored natural world And their legacy remains with us today as Robertson describes in entertaining firsthand accounts of contemporary utopianism ranging from Occupy Wall Street to a Radical Faerie retreat

A Complete Concordance to the Bible of the Last Translation ... The Whole Reviewed, Corrected, and Much Enlarged by Clement Cotton, Etc ,1638

The Last Goodnights John West,2010-05 A husband and wife both medical professionals are gravely ill Rather than living in pain they choose to end their lives and they turn to their son for help Despite the legal risks and certain emotional turmoil he agrees and ultimately performs an act of love more difficult than any other The Last Goodnights provides a unique powerful and unflinching look inside the reality of one of the most galvanizing issues of our time assisted suicide Told with intensity and bare honesty John West s account of the deaths of two brave people is gritty and loving frightening and illuminating nerve wracking and even at times darkly humorous As West s story places him in one of the most difficult experiences anyone can endure it also offers a powerful testament to the act of death by choice and reveals the reasons why end of life issues are far too personal for government intrusion Intimately told The Last Goodnights points out the unnecessary pain and suffering that is often forced upon dying people and their families and honors the choice to die with purpose and dignity In the end this story is not just about death it is also about love courage and autonomy

The Last Horizon Adrian Ferruelo,2025-04-29 The Last Horizon A Story of Survival and Hope in a Changing World In the year 2045 the Earth is on the brink of collapse Rising seas scorching heatwaves and devastating storms have become the new normal Amid the chaos a group of unlikely heroes emerges a climate scientist racing to find a solution a young activist fighting for justice and a family struggling to survive in a world that s falling apart As they confront the harsh realities of a planet in crisis they discover that the key to saving humanity lies not just in technology but in the power of unity and hope The Last Horizon is a gripping tale of resilience innovation and the enduring spirit of humanity in the face of climate catastrophe This novel will inspire readers to take action and believe in a better future

Gallow: The Last Bastion Nathan Hawke,2013-09-12 The last battle for the fate of your country is coming My kin are out for blood and revenge Another empire sees a chance to come in and pick up the pieces of our war Most of your warriors are stuck hiding in the swamps always aware that they do not have enough numbers to win a straight fight And from over the seas my people bring their most deadly weapons the Fateguard Living suits of armour imbued with mystical and deadly power The end times have come for your land I have fought alongside you I have bled for you I have made myself a traitor to all I believe in for you And yet you still do not trust me But you have no option This will be our last battle and there is only one place that it can be fought We must defend our stronghold no matter how many lives it may cost no matter how hard it is For if we do not there

will be no mercy and no relief from the terrors to come Good thing I m on your side **Philosophy for an Ending World**

Tim Mulgan,2024 Tim Mulgan introduces a new thought experiment which takes the form of a challenging possible future the world will end in two hundred years and humanity faces unavoidable but not immediate extinction He presents imaginary discussions within this slowly ending world of such topics as the meaning of life and the purpose of the universe Untold Stories: The Last of the Hitler's Allied Descendants Pasquale De Marco,2025-04-27 In a world overshadowed by the atrocities of Adolf Hitler a remarkable story of defiance and redemption unfolds Untold Stories The Last of the Hitler s Allied Descendants unveils the hidden history of Hitler s relatives who chose a different path aligning themselves with the Allied forces against Nazi Germany At the center of this extraordinary narrative is William Patrick Hitler Adolf Hitler s British born nephew Raised in a household steeped in Nazi ideology William rejected his uncle s beliefs and fought against the Nazi regime during World War II His courageous decision to join the Allied forces defied his family s legacy and risked his own life But William was not alone His brothers Heinz and Alexander also distanced themselves from their uncle s ideology and pursued lives far removed from the world of politics Heinz became a successful businessman while Alexander opted for a quiet life as a farmer Through extensive research and interviews this book delves into the lives of Adolf Hitler s allied descendants exploring their motivations their struggles and their ultimate decision to break free from the shadow of their infamous relative Their stories shed light on the complex dynamics of loyalty identity and the human capacity for change This book challenges our assumptions about family loyalty and the nature of evil It is a story that reminds us that even in the darkest of times individuals have the power to choose their own destiny and stand up for what is right It is a story that deserves to be told Uncover the hidden legacy of Hitler s allied descendants and gain a deeper understanding of the human capacity for change the power of family and the enduring battle against hatred and tyranny Untold Stories The Last of the Hitler s Allied Descendants is a thought provoking and inspiring read that will leave you pondering the resilience of the human spirit If you like this book write a review on google books **The Last Hurrah** Graham Viney,2019-04-18 Young

Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth s life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of My Traitor s Heart it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren t really ours The year 1947 was a pivotal moment not just in the history of the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner

Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth. The present Queen Elizabeth must have learned a great deal about statecraft from her father and about duty, tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday. It was also the family's first real experience of multiculturalism. Graham Viney's book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness. The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way. The tour was a show of imperial solidarity and a recognition of South Africa's contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets. Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria.
