The Last Days Of John Lennon A Personal Memoir:

The Last Days of John Lennon Fred Seaman, 1991 An inside look at John Lennon s last reclusive year spent in a dark New York apartment portrays a man laden with insecurities conflicts and confusion **The Last Days of John Lennon** Fred Seaman, 1992-09-01 An account of the late Beatle s last days discusses Lennon s relationship with Yoko Ono Yoko s heroin use and extramarital affairs Lennon s virtual self imprisonment in the Dakota his battles with Yoko and more Reprint **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **The Last Days of John Lennon** Frederick Seaman, 1996-10-01 *The Beatles and the Historians* Erin Torkelson Weber, 2016-04-27 Hundreds of books have been written about The Beatles Over the last half century their story has been mythologized and de mythologized and presented by biographers and journalists as history Yet many of these works do not strictly qualify as history and the story of how the Beatles mythology continues to be told has been largely ignored This book examines the band s historiography exploring the four major narratives that have developed over time The semi whitewashed Fab Four account the acrimonious breakup era Lennon Remembers version the biased Shout narrative in the wake of John Lennon s murder and the current Mark Lewisohn orthodoxy Drawing on the most influential primary and secondary sources Beatles history is analyzed using historical methods *Conspiracy Theories in American History* Peter Knight, 2003-12-11 The first comprehensive history of conspiracies and conspiracy theories in the United States Conspiracy Theories in American History An Encyclopedia is the first comprehensive research based scholarly study of the pervasiveness of our deeply ingrained culture of conspiracy From the Puritan witch trials to the Masons from the Red Scare to Watergate Whitewater and the War on Terror this encyclopedia covers conspiracy theories across the breadth of U S history examining the individuals organizations and ideas behind them Its over 300 alphabetical entries cover both the documented records of actual conspiracies and the cultural and political significance of specific conspiracy speculations Neither promoting nor dismissing any theory the entries move beyond the usual biased rhetoric to provide a clear sighted dispassionate look at each conspiracy real or imagined Readers will come to understand the political and social contexts in which these theories arose the mindsets and motivations of the people promoting them the real impact of society s reactions to conspiracy fears warranted or not and the verdict when verifiable that history has passed on each case **Lennon** Tim Riley, 2011-09-20 In

his commanding new book the eminent NPR critic Tim Riley takes us on the remarkable journey that brought a Liverpool art student from a disastrous childhood to the highest realms of fame Riley portrays Lennon's rise from Hamburg's red light district to Britain's Royal Variety Show from the charmed naiveté of Love Me Do to the soaring ambivalence of Don't Let Me Down from his shotgun marriage to Cynthia Powell in 1962 to his epic media romance with Yoko Ono Written with the critical insight and stylistic mastery readers have come to expect from Riley this richly textured narrative draws on numerous new and exclusive interviews with Lennon's friends enemies confidantes and associates lost memoirs written by relatives and friends as well as previously undiscovered City of Liverpool records Riley explores Lennon in all of his contradictions the British art student who universalized an American style the anarchic rock n roller with the moral spine the anti jazz snob who posed naked with his avant garde lover and the misogynist who became a househusband What emerges is the enormous seductive and confounding personality that made Lennon a cultural touchstone In Lennon Riley casts Lennon as a modernist hero in a sweeping epic dramatizing rock history anew as Lennon himself might have experienced it *Yoko* David Sheff,2025-03-25 This biography redefines Yoko Ono's life shedding light on her often misunderstood and misrepresented journey Once dismissed as a villain in the Beatles saga Yoko's story is revealed beyond her association with John Lennon Born into a wealthy family in pre war Tokyo she endured the horrors of war before becoming a pioneering figure in avant garde art music feminism and activism in London Tokyo and New York The book explores how she faced intense public scrutiny wrongly blamed for breaking up the Beatles and yet continued to create groundbreaking work and advocate for peace Drawing from David Sheff's interviews with Yoko her family and close friends this biography offers a harrowing moving and ultimately redemptive portrait of Yoko Ono elevating her legacy to iconic status **The Solo Beatles Film & TV Chronicle 1971-1980** Jörg Pieper,2009-05-17 This book is meant as a companion volume to The Beatles Film TV Chronicle 1961-1970 and covers the first ten years of the solo careers of the individual Beatles from 1971 to 1980 It is the indispensable reference book for every serious Beatles video collector with several years worth of research and investigation into the massive amount of film material held in archives around the world The book includes details on over 100 hours worth of solo material with many items covered for the very first time and is fully illustrated with over one hundred and eighty thumbnail images b/w taken from a variety of film sources As a bonus the book also includes a chapter of updates regarding recently discovered and new information about films of The Beatles as a group during the years from 1961 to 1970 Through the years the author has been consulted for several Beatles film and book projects including the 2011 Martin Scorsese documentary George Harrison Living in the Material World **What Goes on** Walter Everett,Tim Riley,2019 In a stretch of just seven years the Beatles recorded hundreds of songs which tower above those of their worthy peers as both the product of cultural leadership and an artistic reflection of their turbulent age the 1960s Walter Everett and Tim Riley's What Goes On The Beatles Their Music and Their Time blends historical narrative musicology and music analysis to tell the full story of the

Beatles and how they redefined pop music The book traces the Beatles development chronologically marking the band's involvement with world events such as the Vietnam War strides in overcoming racial segregation gender stereotyping student demonstrations and the generation gap It delves deeply into their body of work introducing the concepts of musical form instrumentation harmonic structure melodic patterns and rhythmic devices in a way that is accessible to musicians and non musicians alike Close readings of specific songs highlight the tensions between imagination and mechanics songwriting and technology and through the book's musical examples listeners will learn how to develop strategies for creating their own rich interpretations of the potential meanings behind their favorite songs Videos hosted on the book's companion website offer full definitions and performance demonstrations of all musical concepts discussed in the text and interactive listening guides illustrate track details in real time listening The unique multimedia approach of What Goes On reveals just how great this music was in its own time and why it remains important today as a body of singular achievement
