The Last Days The Middle East And The Of Revelation:

The Last Days, the Middle East, and the Book of Revelation Chuck Smith, David Wimbish, 1991 **End Times, the Middle East, and the New World Order** Edward E. Hindson, 1991 Is global peace and prosperity really just around the corner or should people take a more critical look at world events and lofty political promises Ed Hindson analyzes the current world scene in light of Bible prophecy from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace **The Complete Idiot's Guide to the Last Days** Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In *The Complete Idiot's Guide to the Last Days* Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after *Acknowledging the Last Days* Frederick Guttman, It is an open secret that the Bilderberg Group the Council on Foreign Relations the Trilateral Commission and the Committee of 300 have spent decades shaping a New World Order in whose head they want to put a single man to lead the entire Earth an Earth that would be unified under a single military establishment a single flag a single currency already virtual and tightly controlled by satellite total control of the population thanks to technology Although all of this is already wielded from countless prophecies such as those in the book of Revelation it is not exactly a subject of predictions written on paper hundreds or thousands of years ago but rather an irrefutable fact that has been materializing for almost 100 years and which only has a few years to complete The fact that US military officers have implanted chips that the US Congress in plenary session has approved Barak Obama's law of the Social Security privatization law for a certain area of North Americans providing them with an implantable microprocessor in their right hand or that countries in South America are already organizing themselves for a close monetary and identification system by means of a nano chip is only the beginning for the global unification and totalitarian control of humanity *Revelations of the End* Dr. Robert "Andy" Gowins, 2025-02-05 *Revelations of the End* A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the

last days **The Last Days** Scarlett Anderson, 2024-05-24 Welcome to The Last Days a guide designed to navigate the complex and often misunderstood topic of Christian eschatology This book aims to bridge the gap between ancient biblical prophecies and their implications for our modern world It offers a deep yet accessible exploration of what the Bible says about the end times As we delve into scriptures interpretations and theological debates our journey will be about understanding future events and discovering how these profound teachings can influence our daily lives and spiritual practices Whether you are a layperson curious about end times a pastor seeking resources for teaching or a theology student this book provides balanced insights that respect the diversity of thought within Christianity The Last Days is an academic endeavor and a call to reflection and action As we explore prophecies consider their historical contexts and speculate on future scenarios we invite you to engage with this material not with fear but with a spirit of hope and vigilance Thank you for joining me on this enlightening exploration May this book be a valuable resource in your spiritual journey and your discussions with others about our shared future *The End of the World as We Know it* Daniel Wojcik, 1997-08 He explores the origins of contemporary apocalyptic beliefs and compares religious and secular apocalyptic speculation showing us the routes our belief systems have traveled over the centuries to arrive at the dawn of a new millennium [The End... Prophetic Insights into the Last Days](#) Alison Brown, 2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days **The Overcomers** Matt Chandler, 2024-05-07 Are you ready to live with intention and adjust your mindset to be fully equipped to handle anything life throws at you Join Pastor Matt Chandler as he leads you through the book of Revelation chapter by chapter and encourages Christians to build mental fortitude knowing that God called you for such a time as this Using historical examples The Overcomers will put steel in the spines of believers and remind them of the fierce conquering commanding authority of God over all the earth You were made for this exact moment in human history Things may look gloomy and you may feel discouraged but because of the promise and hope found in Scripture you can be brave confident and victorious today The apostle John wrote his letter to a certain group of people in a particular place at a specific time Although it was written to them it was also written for us The Overcomers takes a chapter by chapter view of Revelation rather than a line by line deep dive helping readers practically understand what God wants to say to us today through this extraordinary book written thousands of years ago He also talks about how we should view current events knowing that the writers of the New Testament understood themselves to be living in the end times or last days Believers will be reminded that they are uniquely wired and uniquely placed in this moment in history as part of God's big plan to push back darkness and to establish light Christ has overcome and in Him we too are the overcomers In this book believers will Find courage and confidence from fellow believers who have gone before us Feel empowered as God reminds them of His promises fulfilled and yet to come

Understand the strategies tactics and deceptions Satan uses to try to keep us paralyzed with anxiety and fear Build up their mental strength by intentionally living their life for God and mindfully pursuing the light of the world Study the book of Revelation and how God uses it to encourage His people through dark times and hardships In The Overcomers Matt Chandler reminds readers that they don t have to be anxious or afraid of anything in the present or in the future because both have already been won We are not victims but overcomers and we are a key part of what God is working out in our day God is at work in the mess just as He has always been and He continues to accomplish His purpose of seeking and saving the lost

The Rapture, One-World Government and the "Great Tribulation" Luis Muñoz,2013-08-13 This book explains in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV
