Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs Books in Series, 1876-1949 R.R. Journal of the Philadelphia Orchestra Philadelphia Orchestra, 1946 **Journal** Philadelphia Orchestra, 1946 **Popular Reception of Classical Antiquity** Jens A.

Krasilnikoff, Vinnie Nørskov, Christian Thrué Djurslev, 2024-11-14 The present volume offers a fresh take on classical antiquity s enduring presence in popular culture It is structured around three key themes historical receptions comics and contemporary society covering a wide variety of material from literature and art to music and media It also provides new methodological considerations for anyone interested in classical reception One particularly innovative aspect of the volume is the special attention to the Danish experience of the ancient world What role does classical antiquity play in Denmark Contributors reveal how these ancient stories have been reinterpreted across time highlighting Denmark s own rich history of engaging with the classical world from Julius Caesar s unlikely influence in Danish Romanticism to the revival of Greek myths in contemporary art *A Couple of Branches (Tales From the Family Tree) Portrait Format* Thomas J. Huber,

Theatre as a Weapon Richard Stourac, Kathleen McCreery, 2024-11-26 Based on theatrical research of unusual depth and enterprise *Theatre as a Weapon* 1986 shows how the workers theatre of the 1920s and 1930s transformed the social function of theatre Drawing largely on unpublished sources it provides lively case studies of workers theatre in the USSR Germany and the United Kingdom They range from the Russian mass spectacles in front of the Winter Palace through the thousands of factory and courtyard performances in Germany to the May Day activities of the Workers Theatre Movement all over Britain The authors worked for many years in political theatre in Britain Austria and Germany and they draw on their wide experience to focus on both major theoretical controversies and their practical ramifications They show how workers theatre became an instrument a weapon for political change helping to raise the consciousness of thousands of workers and encouraging them to take action They describe how worker actors musicians writers and directors formed small flexible troupes which contributed locally to the day to day struggles of their class while at the same time participating in national

and international political campaigns Developments in dramatic structure are analysed from the simple review form to the more complex scene and song montage Placing the work of Meyerhold Eisenstein Piscator Brecht and Eisler in this context the authors demonstrate how the montage principle became the significant factor in the political theatre of this period The book is illustrated with rare photographs which reflect the atmosphere of those mass movements Unique in its coverage Theatre as a Weapon is above all an analysis of how the mirror of realistic theatre was transformed into a dynamic weapon for social change It fills an important gap in the history of working class culture *Blue Book of 16mm Films* ,1948 **The School Journal** ,1901 **Film and Video Finder, 1997** ,1997
