

The Last Rainbow

A Loxley

The Last Rainbow:

The Last Rainbow Parke Godwin, 1986 **Rainbow Warriors** Maite Momo, 2014-10-20 Following the lives of the three ships with the name Rainbow Warrior this book written by a long serving Greenpeace activist tells the inside stories of life on board and recounts some of the ship's most exciting adventures and actions. It is at once a narrative of real life on board a history of some of the most famous vessels in the world and also a history of Greenpeace itself which goes beyond the oceans and touches on many aspects of the organization's work. In the end though it aims to bring out the personal stories and firsthand accounts of the ships' adventures, tales from the high seas full of action and daring but also of humanity and great compassion. Starting with the early life of Greenpeace and the bombing of the Rainbow Warrior I by the French secret service through to the imprisonment of the Arctic 30 by the Russians the stories are brought to life with photos from the Greenpeace archives, maps and nautical charts. The most symbolic items belonging to the ship's historical inventory are also included. Maite Momo has been a Greenpeace activist for over ten years. With the sea in her blood she started on a small boat the Zorba and then moved on to crew for the Arctic Sunrise, Esperanza and Rainbow Warrior. Spending half her year at sea she has sailed from pole to pole, taken part in numerous actions and has put herself between the harpoon and the whale.

Revelation Edward Reaugh Smith, 2015-12-15 With this major work Edward Reaugh Smith concludes his singular series on the Bible and Anthroposophy. Understanding the Book of Revelation presents the ultimate challenge to those who wish to penetrate its deepest meaning, a spiritual mountain whose summit has remained beyond reach to most people. Paradoxically in spite of its name Revelation is the most veiled and mysterious book in the Bible. A century ago Rudolf Steiner opened a route to that summit. This book is the first extensive application of that priceless resource to the full text of Revelation. The substance of what Steiner tells us about John's Revelation derives from the individuality who had that Apocalyptic Vision: he was a seer and visionary and his account is esoteric and open only to such a seer. Smith presents Steiner as a seer who for the first time since John wrote his Revelation has penetrated the obscuring veil of this text. The scope of John's vision and Steiner's exposition covers the vast stretch of our human journey. Our ongoing involvement in that journey is not optional. We are each in it from beginning to end. This book is for those who would awake to it. **The Rainbow Bridge** Raymond L. Lee, Alistair B. Fraser, 2001 Venerated as god and goddess, feared as demon and pestilence, trusted as battle omen and used as a proving ground for optical theories, the rainbow's image is woven into the fabric of our past and present. From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world. Although scientists today understand the rainbow's underlying optics fairly well, its subtle variability in nature has yet to be fully explained. Throughout history the rainbow has been seen primarily as a symbol of peace, covenant or divine sanction rather than as a natural phenomenon. Lee and Fraser discuss the role the rainbow has played in societies throughout the ages, contrasting its guises as a sign of optimism, bearer of Greek gods' messages of war and retribution, and a symbol of the Judeo

Christian bridge to the divine The authors traverse the bridges between the rainbow s various roles as they explore its scientific artistic and folkloric visions This unique book exploring the rainbow from the perspectives of atmospheric optics art history color theory and mythology will inspire readers to gaze at the rainbow anew For more information on The Rainbow Bridge visit

People of the Rainbow Michael I. Niman, 1997 Since 1972 the Rainbow Family of Living Light a loosely organized and anarchistic nomadic community have been holding large gatherings in remote forests to pray for world peace and create a model of a functioning utopian society In *People of the Rainbow* Michael I Niman offers the first comprehensive study of this countercultural group also known as the Rainbow Nation or Rainbow Family Niman s insightful and compelling profile describes the origins and recent history of the Rainbows and explains the eclectic philosophy of environmentalism feminism peace activism group sharing libertarianism and consensus government they espouse A fictional re creation of a day in the life of a Rainbow character named Sunflower begins the book illustrating events that might typically occur at an annual North American Rainbow Gathering Using interviews with Rainbows content analysis of media reports participant observation and scrutiny of government documents relating to the group Niman presents a complex picture of the Family and its relationship to mainstream culture called Babylon by the Rainbows Niman also looks at internal contradictions within the Family and examines members problematic relationship with Native Americans whose culture and spiritual beliefs they have appropriated The nomadic nature of the Rainbow Family has long exasperated the U S government especially the Forest Service and has baffled the media Niman places the Rainbow Family s gatherings in a historical context by framing the group s activities in terms of the long tradition of intentional communities and utopian experimentation within the United States Concluding with reflections on the successes and limitations of the Rainbow movement *People of the Rainbow* provides an extensive ethnography of this intriguing subculture and provides fresh insights into the ongoing legacy of utopian communalism The Author Michael I Niman is an adjunct assistant professor of American studies at the State University of New York at Buffalo and a lecturer in the communication department at Buffalo State College

[Grace in Horror](#) Modestus Ngwu, O.P., 2022-11-03 Life is filled with questions for which we struggle to find answers Most of them tend to arise when facing uncertainty powerlessness or hopelessness while lying on a hospital bed It is not infrequent to hear family members friends and even the clergy offering comfort by almost compulsively using phrases like aEURoeEverything happens for a reason aEURoe or aEURoeIt is God aEURoe s will aEURoe While well intended these words tend to provide little solace to the afflicted Propelled by the fear of judgment by those whom they hold in high regard they push down the pain of feeling abandoned by God and adrift in their faith journey In a quest to seek some comfort it is easy to find books on grace that are plentiful in favor joyfulness and merry making advice However what if there

were more to grace Unapologetic about his own internal struggle while witnessing unspeakable suffering Fr Modestus Ngwu produced an honest insightful and provocative piece that provides a transformative and compassionate approach to grace Grounded on authentic pastoral care he invites the reader to get acquainted with and draw strength from the beautifully crafted and detailed stories derived from his many experiences The indestructibility of God's infinite grace hope and love during periods of suffering are the cornerstones of his book Grace in Horror Father Modestus's book reveals how grace is truly present and active in what might appear to be utter horror Most Rev Ronald W Gainer Bishop of Harrisburg This reflection is highly recommended for anyone in health care for anyone who asks why does a good God allow suffering and for anyone who seeks to delve deeper into the mysteries of Grace It is a compelling read that offers much to reflect and meditate upon Elizabeth E Fraenhoffer MD OCDS *To Be Continued* Hope Apple, Merle L.

Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995 Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in *To Be Continued* are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others *At the Rainbow's End* Robert Dean Frelow, 2006-09 *At the Rainbow's End* is about the lives of Jefferson and Mary Bright plantation owners about their struggles and the struggles of recently freed slaves to survive in a newly ordered society Lurking in the background is the Ku Klux Klan who kill and threaten all who would oppose them in a desperate effort to restore the old order an insurgency that fosters among other things jealousy and murder and events that threaten Jefferson and Mary with more than the loss of a way of life

At the Rainbow's Edge Kenny Anthony, 2004

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **The Last Rainbow**

In a global inundated with displays and the cacophony of quick transmission, the profound power and psychological resonance of verbal artistry often diminish into obscurity, eclipsed by the regular barrage of sound and distractions. However, located within the musical pages of **The Last Rainbow**, a fascinating work of literary beauty that impulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that interesting opus guides viewers on a psychological odyssey, lightly exposing the latent possible and profound influence embedded within the elaborate internet of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is main subjects, dissect their charming publishing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
