## **The Last Shiksa:**

*The Last Shiksa* B. H. Litwack, 1978      **Marrying Out** Keren R. McGinity, 2014-09-01 Captures the telling details and the idiosyncratic trajectory of interfaith relationships and marriages in America The Forward When American Jewish men intermarry goes the common assumption they and their families are lost to the Jewish religion In this provocative book Keren R McGinity shows that it is not necessarily so She looks at intermarriage and parenthood through the eyes of a post World War II cohort of Jewish men and discovers what intermarriage has meant to them and their families She finds that these husbands strive to bring up their children as Jewish without losing their heritage Marrying Out argues that the gendered ethnicity of intermarried Jewish men growing out of their religious and cultural background enables them to raise Jewish children McGinity's book is a major breakthrough in understanding Jewish men's experiences as husbands and fathers how Christian women navigate their roles and identities while married to them and what needs to change for American Jewry to flourish Marrying Out is a must read for Jewish men and all the women who love them An important analysis of this thorny issue filled with vivid vignettes about intermarried couples Jewish Book World      [The Last Five Years](#) Jason Robert Brown, 2011-04-01 An emotionally powerful and intimate musical about two New Yorkers in their twenties who fall in and out of love over the course of five years The show's unconventional structure consists of Cathy the woman telling her story backwards while Jamie the man tells his story chronologically the two characters meet only once at their wedding in the middle of the show Jason Robert Brown won Drama Desk Awards for the music and the lyrics after the Off Broadway premiere in 2002 starring Norbert Leo Butz and Sherie Rene Scott The show has since been produced at almost every major regional theater in the U S and has been seen in Korea Japan the Philippines Germany Italy Canada Spain and the UK

**The Last Thing He Wanted** Joan Didion, 2011-02-16 NATIONAL BESTSELLER Didion at her finest USA Today An intricate fast paced novel about trying to create a context for democracy and getting hands a little dirty in the process complete with conspiracies arms dealing and assassinations From the author of *The Year of Magical Thinking* and *Let Me Tell You What I Mean* The narrator introduces Elena McMahon estranged from a life of celebrity fundraisers and from her powerful West Coast husband Wynn Janklow whom she has left taking Catherine her daughter to become a reporter for The Washington Post She finds herself boarding a plane for Florida to see her father She becomes embroiled in her his business even though she had trained herself since childhood not to have any interest in what he was doing It is from this moment that she is caught up in something much larger than she could have imagined Didion makes connections among Dallas Iran Contra and Castro and points out how spectral companies with high concept names tended to interlock As this book builds to its terrifying finish we see the underpinnings of a dark historical underbelly      **The Last Five Years (The Applause Libretto Library)** , 2011-04-01 Applause Libretto Library An emotionally powerful and intimate musical about two New Yorkers in their twenties who fall in and out of love over the course of five years The show's unconventional structure
