updated ninth edition of Bradt's Tanzania Safari Guide remains the only practical guidebook to the country that reflects tourism's shift away from backpackers and budget camping safaris to upper end and mid range safaris and beach holidays. Unlike other guidebooks the main focus is practical information about Tanzania's peerless collection of national parks game reserves and other safari destinations including the Serengeti Ngorongoro Crater Tarangire Ruaha Katavi Gombe Stream Mahale Mountains and four new national parks designated in 2019 including Nyerere which encompasses much of the former Selous Game Reserve and is thought Africa's largest National Park. Every major reserve is given a dedicated chapter detailing its ecology wildlife accommodation options game drives and other activities. Written by acknowledged Africa experts and prolific guidebook writers Philip Briggs and Chris McIntyre Bradt's Tanzania Safari Guide also focuses on other popular and off the beaten track tourist attractions including Mount Kilimanjaro the Spice Island of Zanzibar and the mysterious Kilwa Ruins and Kondoa Rock Art UNESCO World Heritage Sites often relegated to the small print of other guides. Accommodation listings for the safari destinations are the most detailed and authoritative available the authors weeding through the ever growing number of lodges and camps to create a critically selective list of the best properties in every price bracket upmarket mid range and budget. Meanwhile a 48 page wildlife colour field guide details all species a visitor can expect to find on a safari. Since the mid 1980s when only basic camping safaris were feasible Tanzania has grown to be one of Africa's top safari destinations. This new edition actively responds to this evolution by focusing on the country mainly as a safari and short stay fly in holiday destination. It also reflects the growing trend away from large lodges towards small exclusive eco friendly camps in remote parts of national parks and bordering community concessions. Beyond spectacular year round game viewing Tanzania is one of Africa's most varied countries its long palm fringed coastline offering post safari relaxation and complemented by the Great Rift Valley portions of Africa's three largest lakes and impressive mountains. Use this guide to discover everything Tanzania has to offer.
