Blues Dick Weissman, 2005 Presents brief entries covering the history significant artists styles and influence of blues music

The British Folk Revival Michael Brocken, 2022-08-26 Almost 20 years ago Michael Brocken created from his doctoral research what became both a seminal and contested volume concerning the social mores surrounding the British Folk Revival up to that point in time The British Folk Revival 1944 2002 In this long overdue second edition he revisits not only his own

research but also that of others from the 1990s and early 21st century He then considers how a discourse of folkloric authenticity emerged in the closing years of the 19th century and how a worrying nationalistic immanence came to surround folk music and dance during the inter war years Brocken also proposes that the media records radio and TV in post WWII folk revivalism can offer us important insights into how self directed learning of the folk guitar emerged Brocken moves on to consider the business structures of the contemporary folk scene and how relationships are formed between contemporary folk business and the digital and social media spheres In his penultimate chapter he discusses the masculinisation of folk traditions and asks important questions about how our folk traditions are carried and are authorised In the final chapter he also considers the rise of an exciting new folk live music built environment **More Blues Singers** David

Dicaire,2015-11-05 The first book by David Dicaire Blues Singers Biographies of 50 Legendary Artists of the Early 20th Century McFarland 1999 included pioneers innovators superstars and cult heroes of blues music born before 1940 This second work covers those born after 1940 who have continued the tradition This work has five sections each with its own introduction The first Modern Acoustic Blues covers artists that are major players on the acoustic blues scene of recent time such as John Hammond Jr The second Contemporary Chicago Blues features artists of amplified citified gritty blues Paul Butterfield and Melvin Taylor among others Section three Modern American Electric Blues includes some Texas blues singers such as Stevie Ray Vaughan and Jimmie Vaughan and examines how the blues have spread throughout the United States Contemporary Blues Women are in section four Section five Blues Around the World covers artists from four different continents and twelve different countries Each entry provides biographical and critical information on the artist and a complete discography A bibliography and supplemental discographies are also provided *The History of Rickenbacker*

Guitars Richard R. Smith,1987 Reference This 256 page soft cover book gives a complete and illustrated history of the development of Rickenbacker instruments from 1931 to the present Rickenbacker is the only book of its kind to chronicle the history of the company who in 1931 introduced electric instruments to the world The book provides information and full color photos of the many artists who have used and are using Rickenbacker instruments Rickenbacker collectors will find this book invaluable as it contains recently discovered accurate facts previously unavailable to researchers **Complete Country**
