The Kenya Magic:

The Kenya Magic John Schmid,1983 *Witchcraft and Colonial Rule in Kenya, 1900-1955* Katherine Luongo,2011-09-26
Focusing on colonial Kenya this book shows how conflicts between state authorities and Africans over witchcraft related crimes provided an important space in which the meanings of justice law and order in the empire were debated Katherine Luongo discusses the emergence of imperial networks of knowledge about witchcraft She then demonstrates how colonial concerns about witchcraft produced an elaborate body of jurisprudence about capital crimes The book analyzes the legal wrangling that produced the Witchcraft Ordinances in the 1910s the birth of an anthro administrative complex surrounding witchcraft in the 1920s the hotly contested Wakamba Witch Trials of the 1930s the explosive growth of legal opinion on witch murder in the 1940s and the unprecedented state sponsored cleansings of witches and Mau Mau adherents during the 1950s A work of anthropological history this book develops an ethnography of Kamba witchcraft or uoi *Kenya Gazette*

Kenya Gazette ,2000-02-25 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week Luyia of Kenya Shadrack Amakoye Bulimo,2013-04-08 The Luyia like other Africans subsumed by imperialist conquest are groping in the dark to find new meaning to their lives By emigrating from tribal territory to towns Luyia tribesmen lost strong communal links that bonded traditional society in which security of the individual was assured The real danger however is the infiltration of neo capitalism in the remotest villages sweeping away what little is left of the culture of a bygone era The need to preserve our cultural resources for future generations is critical Colonial institutions radically altered traditional governance economic and magico religious structures Clan elders hitherto the pseudo legal centers of political authority were either conscripted into colonial administration as chiefs or simply shunted aside Supplication to cult of the ancestor was replaced by Christianity where clergy rather than sacrificial priests became

principal representatives of the deity And where men spent the day hunting to secure a family meal they now had to seek waged employment and pay taxes Although these forces of Western acculturation introduced positive benefits to traditional technological processes they were largely responsible for uprooting a people from an environment they had lived for generations and adapted to suit their needs to one driven largely by opportunism and uncertainty **Kenya** R. Mugo Gatheru,2005-05-31 This book relates a series of events leading from Kenya s colonization through its emergence as an independent country Beginning with the advent of Europeans in the late 1800s it presents Kenya as a land of contrasts in geography as well as people Home to Arabs Indians and Europeans as well as various African tribes Kenya experienced strife throughout its colonial history Gatheru discusses the viewpoint of the Kenyan people enumerating the events and attitudes that led to the eruption of violence Covered in particular are the economic political and social policies Britain established toward its colonials The role of Kenyan reform leaders such as Harry Thuku and Jomo Kenyatta in the country s struggle for independence is also examined Although Gatheru is quick to establish that Britain s original intentions were admirable he reveals how the Mau Mau rebellion which began in 1952 was the ultimate culmination of sixty years of increasingly destructive British policies The closing chapters of the book deal with the granting of Kenyan independence in 1963 the aftermath of independence and the plans of Kenya s newborn government for dealing with the issues of labor agriculture and land ownership *An African Heart* Liberty Dendron,2018-09-25 An African Heart is an inspirational transformational personal growth spiritual awakening short story that will leave you with a tune that you can hum in your daily life Mrs Taraji s husband catches a contagious disease and dies The disease is not like other diseases It is caused by a demon and his body must be burned After his father s death the story takes Kenya to a different part of the forest to see his dead father The characters struggle to live love or even to die But in the end they find something that ripples into eternity This is a haunting gripping story in which each compelling character faces the fateful moment that will forever change them Masterfully weaved pivotal twists and intangible interconnections that bring together disparate threads of hope and sorrow If you dare you may recognize the same fears and redemption in your own life *State* ,1986
