The Lady And The Monk Library Edition Unabridged:

Can You Forgive Her? (The Classic Unabridged Edition) Anthony Trollope, 2017-07-31 *Can You Forgive Her* is a novel by Anthony Trollope. It is the first of six novels in the Palliser series. The novel follows three parallel stories of courtship and marriage and the decisions of three strong women: Alice Vavasor, her cousin Glencora Palliser, and her aunt Arabella Greenow. Early on, Alice asks the question: What should a woman do with her life? This theme repeats itself in the dilemmas faced by the other women in the novel. *Lady Glencora* and her husband Plantagenet Palliser recur in the remainder of the Palliser series. Alice Vavasor, a young woman of twenty-four, is engaged to the wealthy and respectable and dependable if unambitious and bland John Grey. She had previously been engaged to her cousin George but she broke it off after he went through a wild period. John, trusting in his love, makes only the slightest protest of Alice's planned tour of Switzerland with her cousin Kate, George's sister, even when he learns George is to go with them as male protector. Influenced by the romance of Switzerland, Kate's contriving to restore George to Alice's favour and her own misgivings with John's shortcomings, Alice jilts her second fiancé.

Set against the backdrop of early 19th-century England, George Eliot's *Middlemarch* is a complex tapestry of interwoven lives, relationships, and social issues. This unabridged work showcases Eliot's exceptional literary style, marked by rich characterization and nuanced psychological insight. The narrative explores themes of political reform, gender roles, and individual ambition through the lens of the English provincial town of Middlemarch, delving deeply into the lives of its characters, such as Dorothea Brooke and Tertius Lydgate, as they navigate personal and societal challenges. Eliot employs a third-person omniscient perspective, allowing readers to engage with the multifaceted nature of human experience while situating her characters within broader social contexts, reflecting the Victorian ethos of moral complexity. George Eliot, the pen name of Mary Ann Evans, was a prominent Victorian novelist whose works often focused on the interplay of society and character. Her background in philosophy and strong advocacy for women's rights profoundly influenced her writing. Eliot's experiences in a patriarchal society inspired her exploration of women's roles and ambitions, while her keen interest in social reform lent authenticity to the socio-political commentary present in *Middlemarch*. *Middlemarch* is highly recommended for readers seeking a profound exploration of human nature and societal constraints. It offers a rich, multi-dimensional narrative that remains relevant today, prompting reflection on personal and collective identities amidst evolving societal mores. This
