

The Language Of Lingam And Yoni

Scott C. Dulebohn

The Language Of Lingam And Yoni:

Phallism: Description of the Worship of Lingam-Yoni ... with an Account of Ancient and Modern Crosses Particularly of the Crux Ansata and Other Symbols Connected with the Mysteries of Sex Worship, 1889 *Sex As Symbol* Ph. D. Alvin Kuhn, 2005-12-01 There is a fell quality to the mating urge that gives it the force of a natural and unimpeachable authority which appears for a time to sweep away every obstacle and override the obstructing power of every consideration whether of advantage or injury It carries a virtual cosmic sanction with it from Love and Hate How does gender and the sex drive manifest itself across human cultures How is the dual nature of humanity male and female spiritual and physical animal and divine expressed in the tangible world Alvin Boyd Kuhn a prominent proponent of the early 20th century doctrine of theosophy which sought to find the universal truths that underlie all human religions here explores the hidden connections across cultures that unify rites and customs found around the globe circumcision the secondary status of women myths about communion with deities and more In fluid prose that approaches a stream of consciousness reverie this treatise seeks to uncover a fundamental basis for human ideas about sex gender and love American philosopher and scholar of comparative religion ALVIN BOYD KUHN 1880 1963 is also the author of *Theosophy* 1930 and *The Lost Light* 1940 Dissertation on the Sanskrit Language Paulinus (a S. Bartholomaeo), 1977-01-01 Paulinus a S Bartholomaeo s *Dissertatio historico critica in linguam Samscrdamicam* 1790 serves as an introduction to his *Sidharubam* the first Sanskrit grammar published in Europe The *Dissertatio* is also important for another reason it is concerned with speculations about the nature and origin of Sanskrit and the other Indian Languages It raises questions about their relation to each other and to languages outside India It bears witness to the fact that Paulinus was one of those few who heralded the era of comparative philology long before its official consecration In addition it offers an opportunity to study the range of working instruments available to Indic scholarship at the end of the 18th century This volume contains a fac simile edition of the Latin original an English translation an introductory article and an index of sources **The Urologic and Cutaneous Review**, 1921 *The Book of Love* James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The *Kamasutra* is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the *Kamasutra* was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the

Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived **Rivers of Life** J.G. R. Forlong,1883 Sources and streams of the faiths of man in all lands showing the evolution of faiths from the rudest symbolism to the latest spiritual developments **On Hinduism** Wendy Doniger,2014-02-03 In this magisterial volume of essays Wendy Doniger enhances our understanding of the ancient and complex religion to which she has devoted herself for half a century This series of interconnected essays and lectures surveys the most critically important and hotly contested issues in Hinduism over 3 500 years from the ancient time of the Vedas to the present day The essays contemplate the nature of Hinduism Hindu concepts of divinity attitudes concerning gender control and desire the question of reality and illusion and the impermanent and the eternal in the two great Sanskrit epics the Ramayana and the Mahabharata Among the questions Doniger considers are Are Hindus monotheists or polytheists How can atheists be Hindu and how can unrepentant Hindu sinners find salvation Why have Hindus devoted so much attention to the psychology of addiction What does the significance of dogs and cows tell us about Hinduism How have Hindu concepts of death rebirth and karma changed over the course of history How and why does a pluralistic faith remarkable for its intellectual tolerance foster religious intolerance Doniger concludes with four concise autobiographical essays in which she reflects on her lifetime of scholarship Hindu criticism of her work and the influence of Hinduism on her own philosophy of life On Hinduism is the culmination of over forty years of scholarship from a renowned expert on one of the world s great faiths *Dissertation on the Sanskrit Language* Paulinus A.S. Bartholomaeo,1977-01-01 Paulinus a S Bartholomaeo s Dissertatio historico critica in linguam Sanscritamicam 1790 serves as an introduction to his Sidharubam the first Sanskrit grammar published in Europe The Dissertatio is also important for another reason it is concerned with speculations about the nature and origin of Sanskrit and the other Indian Languages It raises questions about their relation to each other and to languages outside India It bears witness to the fact that Paulinus was one of those few who heralded the era of comparative philology long before its official consecration In addition it offers an opportunity to study the range of working instruments available to Indic scholarship at the end of the 18th century This volume contains a fac simile edition of the Latin original an English translation an introductory article and an index of sources **KAMA SUTRA** Richard Francis Burton,2023-11-29 In Richard Francis Burton s compelling translation of the ancient Indian text Kama Sutra the intricate interweaving of sexual philosophy art and pleasure is meticulously presented This seminal work originally composed by V tsy yana transcends its reputation as merely a manual on sexual practices delving into the broader themes of love aesthetics and ethical living in the pursuit of pleasure Burton s literary style is marked by his rich language and keen observations evoking the cultural context of 19th century Victorian society where

discussions of sexuality were often shrouded in taboo yet he boldly sought to illuminate and demystify these age old teachings Burton a renowned explorer linguist and anthropologist was driven by an insatiable curiosity about diverse cultures and their customs His extensive travels through the East combined with his expertise in linguistics provided him with a unique vantage point to approach the Kama Sutra with both reverence and scholarly rigor His goal was to create an accurate and respectful translation that would captivate the Western audience while preserving the essence of the original text Recommended for scholars enthusiasts of erotic literature and those intrigued by human sexuality Burton s Kama Sutra is an essential read that challenges perceptions and invites deep reflection Its blend of sensual wisdom and cultural insight encourages readers to explore the complexities of love and desire making it an invaluable addition to any literary collection In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Rivers of life, or Sources and streams of the faiths of man in all lands; showing the evolution of faiths from the rudest symbolisms to the latest spiritual developments James George Roche Forlong, 1883

Decoding **The Language Of Lingam And Yoni**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
