The Last Bullet:

The Last Bullet Morgan Hill, 2011-05-04 Clay Bostin's fortune changes quickly on the Nebraska plains. Left to die in excruciating pain by marauding Indians, he is rescued by a wagon train and nursed back to health by lovely Rachel Flanagan. Soon afterwards the Cheyenne attack and Clay is chosen to replace their fallen trail boss. Now it's his fate to protect the pioneers from the relentless assault of the Cheyenne warriors. What will happen if brutal Black Hawk reached the beautiful girl Blood on the Plains? Stranded in Indian territory, rugged Clay Bostin signs on with a wagon train as trail boss. He soon discovers the fiery charms of beautiful Rachel Flanagan, but he barely has time to romance her before the Cheyenne warriors begin a vicious attack. Day after day the galloping painted ponies appear and the Indians relentlessly assault the helpless wagon train. If time and hope run out, Clay may have to take drastic measures to spare Rachel from Chief Black Hawk's brutality. Black Ops W. E. B. Griffin, 2008 In the wake of a series of murders involving covert intelligence informers, Delta Force Lieutenant Colonel Charley Castillo wonders about vague similarities between the killings and a recent case involving a pair of CIA traitors, a situation that is further complicated by an arms dealer's prediction that the deaths are linked to Kremlin activities. 400 000 first printing. **The Health and Safety Trainer's Guidebook** Simon Watson Pain, 2022-11-29 The book is designed to help trainers design and deliver health and safety training in a fun and high impact way such that trainees engage with the subject and remember how to apply it in the work environment. The unique approach of the book is that Part II provides a range of 30 tried and tested original resource ideas to make health and safety training effective and memorable. It will be a valuable text for professionals and graduate students in the fields of ergonomics, human factors, and occupational health and safety. Provides practical and tested solutions to common training problems. Covers a resource section showing how to develop interesting and relevant training exercises. Focuses on special needs of health and safety training. Guides the reader through identifying the training need, delivering the training, and finally assuring competence. Designed to help trainers design and deliver health and safety training in a fun and high impact way.

Recreation Fees: Agencies Can Better Implement the Federal Lands Recreation Enhancement Act & Account for Fee Revenues, **Plain Language, Please** Janet C. Arrowood, 2016-07-22 Writing in plain language is not something they teach in your school. But it is an art and a science, and you can learn how to do it and apply it. How to write for results. This book provides a step by step example filled guide to the critical aspects of writing in plain English: plain language, the type of writing people understand and to which they respond favorably. Not many people refuse to read a newspaper because it is too easy, but lots of people avoid technical publications and barbecue grill instructions because they are too hard or unintelligible.

Good writers are made not born The examples and information in this book will guide you along the process of becoming one of those good writers and you may even find yourself looking forward to your next writing project

Field Marshal Von Manstein Marcel Stein,2007-02 Most military historians are in agreement that Feldmarschall Erich von Manstein was the most outstanding German high commander of the Second World War Many view him as the foremost exponent of large scale mobile operations in any of the Second World War armies Surprisingly no biography of him has yet been written To this day his family refuses to release the papers of his estate to the German military archives at Freiburg Furthermore the contradictions in the personality of von Manstein make it difficult to generate a synthesis On one side there is an extraordinary military talent on the other many political and moral aspects His military achievements stand in sharp contrast to his inhumane policy of occupation in Russia his active participation in the slaughter of Jews in Southern Ukraine and the Crimea and his ambivalent attitude to the military resistance movement These contradictions have led the author to describe Manstein as the Janushead the term chosen for the title of the book He has not written a traditional biography but a portrait A complete account of all phases of Mansteins career is given in one chapter seven more chapters deal extensively with milestones in Mansteins career his successful plan for the battle of France which led to the defeat of the French Army in less than one month his dereliction of duty during the battle for Stalingrad his hubris which led to the disaster of the battle for Kursk his refusal to take part in the military resistance movement his compliance with the Commissar order and his involvement in the Holocaust he author has widened the subject well beyond the personality of its central figure It shows how the Nazi system step by step succeeded in perverting the centuries old traditions of the Prussian and German officer corps
