The Last Days Are Already Here:

Understanding the New Testament and the End Times, Second Edition Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God's people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters

Understanding God's Love Ronald Greib, 1997 Ronald Grieb has undertaken a study of how God is misunderstood and misrepresented showing how false ideas of God neutralize His power and authority and lead people into the worship of false deities of their own manufacture

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God's Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters The Last Days Are Left Behind will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible's prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken or written to in God's Word

We Are Still Here CJ Beuhler, 2023-02-08 Hinoch has always had a special connection to his native land of Labrador so when the young Inuit artist is guided to the isolated site of a plane crash by a raven he is relatively unfazed It is there Hinoch finds a gold ring belonging to one of the former crew members a ring containing the spirit of the

lost owner Hinoch knows he must reunite the ring with the owner's family in order to save the man's spirit. Hinoch's efforts to find the lost man's family finally pay off when a young woman named Joanna visits him in his isolated community. The two immediately hit it off and Joanna is drawn to the simple Labrador lifestyle and the traditional and spiritual ways of the Inuit. Hinoch and Joanna begin to see themselves sharing their lives together but then Hinoch drops a bombshell: he's been having shamanic visions of the world being destroyed by overpopulation and climate change. Now he's unsure if Joanna will be willing to join him in relocating his people to the safety of the wilderness.

You're Still Here Natik Colibri, 2025-10-19 *You're Still Here* is a touching story about love that outlasts death and a secret hidden in silence. Walter Brown, a lonely old man in rainy Portland, misses his late wife Grace. Then he meets a tiny frog with golden eyes that seem to hold her spirit, bringing new light into his life. Lumi isn't just a guest; she sparks joy in Walter, but her every hop raises a question: who is she really? As memories of the past grow stronger and a box with their love vow calls to be opened, Walter faces a choice between hope and pain, wonder and loss. Like Portland's gentle rain, this story is soft but carries a mystery that tugs at your heart. It will make you cry, hope, and hesitate to uncover the truth.

Icon of the Kingdom of God Radu Bordeianu, 2023-05-19 What is the Church? Some would answer this question by studying the Scriptures, the history of the Church, and contemporary theologians, thus addressing the theological nature of the Church. Others would answer based on statistics, interviews, and personal observation, thus focusing on the experience of the Church. These theological and experiential perspectives are in tension or at times even opposed. Whereas the first might speak about the local church as the diocese gathered in the Liturgy, presided over by its bishop, the latter would describe the local church as the parish community celebrating the Liturgy together with the parish priest, never experiencing a sole liturgy that gathers an entire diocese around its bishop. Whereas a theologian might abstractly describe the Church as a reflection of the Trinity, a regular

church member might concretely experience the Church as a community that manifests the Kingdom of God in its outreach ministries Radu Bordeianu attempts to bring these two perspectives together starting from the concrete experience of the Church engaging this experience with the theological tradition of the Church extracting ecclesiological principles from this combined approach and then highlighting concrete situations that reflect those standards or proposing correctives when necessary Without pretending to be a complete Orthodox ecclesiology Icon of the Kingdom of God addresses the most important topics related to the Church It progresses according to one's experience of the Church from baptism to the family parish Liturgy and priesthood followed by analyses of synodality and nationality Arguing that the Church is an icon of the Kingdom of God this volume brings together the past theological heritage and the present experience of the Church while having three methodological characteristics experiential Kingdom centered and ecumenical **The Book Above All T.** Stockton,2023-01-29 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Signs of the Messiah* Andreas Köstenberger,2021-02-24 That you may believe Have you ever asked God for a sign Throughout Scripture God gave signs to his people whether mighty acts during the exodus or miracles through Elijah and Elisha Jesus was also asked for a sign Yet despite giving seven remarkable signs his people refused to believe him In *Signs of the Messiah* Andreas Köstenberger veteran New Testament scholar and expert on the Gospel of John guides readers through John and highlights its plot and message John's Gospel is written to inspire faith in Jesus By keeping the Gospel's big picture in view readers will see Jesus mighty signs and be compelled to trust more fully in the Messiah Readers will have a deeper grasp of John's message and intent through this short and accessible introduction [Still Here!](#) Braxton DeGarmo,2021-10-26 The Apocalypse A code book of future events awaiting deciphering Or a picture book of current events Is there a global tyrant who will be known as the Antichrist Who or what is the Beast The False Prophet Who are the 144 000 What is Babylon and who is the Prostitute who seduces the world Understanding the Book of Revelation need not be daunting You don't have to be theological scholar to understand it After all John wrote it for the common man Yet the key to understanding lies in the Old Testament foreshadowing and types preceding it Nowhere is the phrase The Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed more true And once you understand it and take a look at the world today the more you might recognize that the Apocalypse is now
