The Last Days In America

Gregg F. Swift

The Last Days In America:

The Last Days in America Bob Fraley, 1984 You will be challenged and motivated with the explanation of one of the greatest mysteries among Christians how the world's most powerful nation fits into Bible prophecy The surprising and prominent role America plays in end time events is revealed in this book **The Last Days of America: Preparing for Our Place in the Book of Revelation** Gregg F. Swift, 2014-10-14 Doesn't it seem that everywhere you turn you hear about events that seem to say the world is on fire and about to fall apart These are the last days prophesied in the books of Daniel Revelation and others Believers should know the times and seasons of bible prophecy to prepare to survive those biblical events A proper understanding of the chronology of the book of Revelation is where you must begin In *The Last Days of America Preparing for Our Place in the Book of Revelation* author Gregg Swift lays out the book of Revelation in a way that will effectively show the believer why it is time to make preparations for the coming bad times by explaining Why America is under the judgment of God The proper chronology of the book of Revelation How bad events like the seals trumpets and judgments will be A common sense understanding of the timeframe of the rapture When Satan and his angels are thrown down to the earth The timing of the Antichrist using the book of Revelation Why the year 2021 is important in biblical prophecy If you believe that we are in the biblical last days this book will put you on the right path by helping you understand exactly what you have to prepare for and how bad things will be Book jacket *The Last Days of the Schooner America* David Gendell, 2024-08-06 2025 BREWINGTON BOOK PRIZE WINNER The schooner America was a technological marvel and a child star In the summer of 1851 just weeks after her launching at New York she crossed the Atlantic and sailed to an upset victory against a fleet of champions The silver cup she won that day is still coveted by sportsmen Almost immediately after that famous victory she began a decades long run of adventure neglect rehabilitations and hard sailing always surrounded by colorful passionate personalities America ran and enforced wartime blockades She carried spies across the ocean And she was on the scene as yachtsmen and business titans spent freely and competed fiercely for the cup she first won By the early twentieth century she was in desperate need of a thorough refit The old thoroughbred floated in brackish water at the United States Naval Academy stripped of her sails and rotting in the sun Refitting America would be a massive project expensive and potentially distracting for a nation struggling to emerge from the Great Depression and preparing for a world war But the project had a powerful sponsor On a windy evening in December 1940 the eighty nine year old America was hauled groaning and complaining up a marine railway at Annapolis the first physical step in a rehabilitation rumored to have been set in motion by President Franklin Roosevelt himself The haul out brought the famous schooner into the heart of the Annapolis Yacht Yard a privately owned company with a staff capable of completing such a project but with leadership determined to convert their facility into a modern warship production plant on behalf of the United States and its allies *The Last Days of the Schooner America* traces the history of the famous vessel from her design build and early racing career through her lesser

known Civil War service and the never before told story of her final days and moments on the ground at Annapolis The schooner's story is set against a vivid picture of the entrepreneurial forces behind the fast focused rise of the Annapolis Yacht Yard as the United States prepares for and enters World War II As wooden warships are built around her America waits for a rehabilitation that would never happen To bring this unique story to life Annapolis sailor David Gendell delves into archival sources and oral histories and interviews some of the last living people who saw America at the Annapolis Yacht Yard *The End... Prophetic Insights into the Last Days* Alison Brown,2013-04-07 An amazing insight into end times prophecy Dr Brown writes from a messianic perspective revealing how the Feasts and current world events tie in with Biblical and even Islamic prophecies A must read for all those interested in what is about to happen in these last days **Hope in the Last Days** Dave Williams,2017 Understand how ancient biblical prophecies are coming to pass in our day how coming prophetic events will impact you and how there is hope for all followers of Christ Today there is a tremendous interest in Bible prophecy particularly because end time events prophesied long ago are coming to pass in an extraordinary manner Hope in the Last Days reveals based on prophecy fulfilled and yet to be fulfilled that very shortly the world will reel into its deepest hour of torment and agony Dave Williams encourages you with the truth of how coming events will affect you and your loved ones and what God has planned as a way of escape for followers of Jesus Christ *The End of America?* Jeff Kinley,2017-08-01 Will God's Wrath Fall on America What happens when a country glories in its immorality turning away from faith in God and obedience to Him Jeff Kinley author of *As It Was in the Days of Noah* explores historical and biblical precedents for the demise of a nation and addresses pressing questions such as How did we get to this point Is America in Bible prophecy Will Christians face widespread persecution here What effect will the rapture have on America How should I respond to the moral decline This forthright survey of current events and trends offers valuable perspective on the future of America along with powerful motivation to embrace the only source of lasting hope **The Public Statutes at Large of the United States of America** United States,1850 Buffalo Bill's America Louis S. Warren,2006-12-05 William F Buffalo Bill Cody was the most famous American of his age He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer But what was his real story And how did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill's Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America's greatest showman and the startling history of the American West that drove him and his performers to the world stage Inspired Prophetic Warnings: Book of Mormon and Modern Prophecies about America's Future Duane S. Crowther,2023-02-14 Throughout the ages God's prophets have spoken of the latter days

And now their messages are available to you in one unique and inspiring volume With elegance and clarity this book weaves the prophecies of our day into distinct themes to reveal penetrating insights and invaluable lessons A timely read for all who are preparing for the Savior s Second Coming
