The Last Parade Carl V. Lamb,1999 The events comprising this story concern the men of Fox Company Second Battalion First Marine Regiment First Marine Division Foreword The Last Eleven Mark Adkin,1991-10-01 A study of the eleven post war winners of the Victoria Cross who unless some are awarded during the Gulf crisis will be the last eleven recipients of the award These eleven Victoria Cross winners served variously in Indonesia Korea Vietnam and the Falkland Islands The Last Good Season Michael Shapiro,2003 A touching chronicle of the Brooklyn Dodgers and their last great season retraces this legendary team s final pennant and their difficult subsequent move to Los Angeles Sea Change at Annapolis H. Michael Gelfand,2009-09-15 Since 1845 the United States Naval Academy has prepared professional military leaders at its Annapolis Maryland campus Although it remains steeped in a culture of tradition and discipline the Academy is not impervious to change Dispelling the myth that the Academy is a bastion of tradition unmarked by progress H Michael Gelfand examines challenges to the Naval Academy s culture from both inside and outside the Academy s walls between 1949 and 2000 an era of dramatic social change in American history Drawing on more than two hundred oral histories extensive archival research and his own participatory observation at the Academy Gelfand demonstrates that events at Annapolis reflect the transformation of American culture and society at large in the Cold War and post Cold War periods In eight chapters he discusses recruiting and minority midshipmen the end of mandatory attendance at religious services women s experiences as they sought and achieved admission and later served as midshipmen and the responses of multiple generations of midshipmen to societal changes particularly during the Vietnam War era This cultural history not only sheds light on events at the Naval Academy but also offers a novel perspective on democratic ideals in the United States
