The Last Shall Be First:

The Last Shall Be First John York, 2015-01-29 Many recent studies recognize the feature of reversal in individual narratives in Luke What contribution do they make to Luke's eschatology and how do they enable us to define the historical audience of Luke's Gospel York's study focuses on the numerous sayings parables and narratives in Luke that exhibit a double or bi polar reversal of fortunes It concludes that this rhetorical form is a fundamental element in Luke's understanding of the death and resurrection of Jesus and the nature of life in the Kingdom inaugurated by Jesus

The Last Shall Be First, and the First Shall Be Last Maretha Johnican, 2023-11-22 This is the diary of the author's tumultuous journey from childhood to adulthood The road she has traveled has been full of many unexpected twists turns detours and cliff hangers Her trip itinerary has included poverty sickness molestation rejection domestic violence betrayals divorces single parenthood being a first lady and many other treks I believe that you will be captivated by the author's many excursions some self directed and some led by others some good and some not so good She experienced the contrast of being on a ship like Jonah running from God and being on a ship like Paul in the will of God But they all drove her into the arms of the blessed Savior who took what was meant to cause her life to be permanently shipwrecked and used it to make her more resilient for the voyage ahead I trust that you will be intrigued by how the author reveals the cycles in her life as she explains how the last became first and the first became last relating it to the scripture in Matthew 20 16 We all can relate with the alternating cycles in our lives of being last and then first and first and then last These seasons affect the just and the unjust but they are weathered so much better with the Lord on our side He works it all together for the good for those that love Him and are the called according to His purpose Romans 8 28 The writer believes that the Lord led her to be transparent and to share her life experiences as a means to inspire motivate encourage and challenge her readers to keep running the race that has been set before them regardless of the obstacles they may encounter Remember many are the afflictions of the righteous but the Lord will deliver us out of them all Psalm 34 19

Terms of Salvation Grant H. Layton, 2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn't necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ Ivy Compton-Burnett Barbara Hardy, 2016-03-16 The first fully detailed and critically contextualised study of the novels of Ivy Compton Burnett Ivy Compton Burnett is a strikingly original novelist writing conversation novels in which talk is the medium and subject She is innovative like Joyce and Woolf but more accessible and less theoretical a modernist unawares She makes readers think and her terse cool witty style reminds us that the novel is an art To read most living writers of fiction after reading her is to feel novelists have become lazy and made their readers lazy She requires attention and she doesn't write to pass the time or invite identification but she is amusing and challenging This re valuation of a neglected artist is a close analysis of forms ideas and language in novels which range from her first conventionally moral love story Dolores which she tried to suppress to startling stories about landed gentry in Victorian and Edwardian England Key Features Provides incisive and accessible close readings of Compton Burnett's language life narratives emotional expression and thought Presents new work of a leading critic Places Compton Burnett in the context of Modernist writing Syncretism Zacchaeus Yisa, 2014-08-28 Syncretism is an exposé on contaminated practices in the West African Church It is a clarion call for the believers worldwide to be awake like the New Testament Berean Jews **Literary and Theological Review** Leonard Woods, Charles D.
