The Hour of Our Death Philippe Aries, 1982-02-12 An absolutely magnificent book The New Republic the fruit of almost two decades of study that traces the changes in Western attitudes toward death and dying from the earliest Christian times to the present day A truly landmark study The Hour of Our Death reveals a pattern of gradually developing evolutionary stages in our perceptions of life in relation to death each stage representing a virtual redefinition of human nature Starting at the very foundations of Western culture the eminent historian Phillipe Ariès shows how from Graeco Roman times through the first ten centuries of the Common Era death was too common to be frightening each life was quietly subordinated to the community which paid its respects and then moved on Ariès identifies the first major shift in attitude with the turn of the eleventh century when a sense of individuality began to rise and with it profound consequences death no longer meant merely the weakening of community but rather the destruction of self Hence the growing fear of the afterlife new conceptions of the Last Judgment and the first attempts by Masses and other rituals to guarantee a better life in the next world In the 1500s attention shifted from the demise of the self to that of the loved one as family supplants community and by the nineteenth century death comes to be viewed as simply a staging post toward reunion in the hereafter Finally Ariès shows why death has become such an unendurable truth in our own century how it has been nearly banished from our daily lives and points out what may be done

to re tame this secret terror The richness of Ari s s source material and investigative work is breathtaking While exploring everything from churches religious rituals and graveyards with their often macabre headstones and monuments to wills and testaments love letters literature paintings diaries town plans crime and sanitation reports and grave robbing complaints Aries ranges across Europe to Russia on the one hand and to England and America on the other As he sorts out the tangled mysteries of our accumulated terrors and beliefs we come to understand the history indeed the pathology of our intellectual and psychological tensions in the face of death *My Father's Son* Dawyck Haig,2003-10-21 Dawyck Haig the only son of the great Field Marshal was born in 1918 the year of his father s victory His life has been hugely influenced by the legendary status accorded to his father and after 1932 to himself This unique memoir reveals a side of the Field Marshal that has never been seen before and makes mandatory reading for those who seek to understand one of the foremost military figures of the age The author goes on to tell of his own experiences as a soldier in The Royal Scots Greys in World War Two of his capture and imprisonment in Colditz Designated a Prominente he and other sons of well known men were singled out as potential hostages on the orders of Hitler and as a result lived under continuous threat of execution This important memoir is sensitively written It is heavily illustrated with photographs of Field Marshal Haig that have never been seen before A fascinating and compelling book Fashion Jennifer Craik,2024-07-25 Fashion is everywhere It is one of the main ways in which we present ourselves to others signaling what we want to communicate about our sexuality wealth professionalism subcultural and political allegiances social status even our mood It is also a global industry with huge economic political and cultural impact on the lives of all of us who make sell wear or even just watch fashion Fashion the key concepts presents a clear introduction to the complex world of fashion The aim throughout is to present a comprehensive but also accessible and provocative analysis Readers will discover how the fashion industry is structured and how it thinks the links between catwalk celebrity branding media promotion and mainstream retail how clothes mean different things in different parts of the world and how popular culture influences fashion and how fashion shapes global culture Illustrated with a wealth of photographs the text is further enlivened with over 30 detailed and rich case studies ranging across topics as diverse as the meaning of black in fashion the rise of celebrity branding the cult of thinness the politics of veiling the eroticism of shoes and the power of cosmetics Features Boxed chapter overviews open each chapter Bullet points summarizing key ideas conclude each chapter Chapter discussions are illustrated with integrated case material Each chapter is supported by extended Case Studies Key words are highlighted in chapters and defined in an extensive Glossary Further Reading guides the reader to other literature A timeline of Fashion Milestones provides a chronology of major events in the history of fashion

these young men finally broke the trench stalemate and forced the enemy into retreat During this time one in four of these teenaged soldiers would be killed and over half of them wounded Looking beyond the war as portrayed by poets and playwrights Tim Lynch tells the story of Britain's true Unknown Soldiers the teenage conscripts who won the war only to be forgotten by history These were not the naive recruits of 1914 who believed it would all be over by Christmas but young men who had grown up in wartime men who knew about the trenches the gas and the industrialised slaughter but who when their time came answered their country's call anyway For the first time following the experiences of a typical reinforcement draft this book explores what turned men so often dismissed as shirkers into a motivated efficient and professional army but it also reminds us that in the cemeteries of France and Flanders behind every headstone is a personal story **Fallen Grace** Mary Hooper, 2011-02-01 Poor orphaned Grace Parkes is in a horrible situation Her illegitimate child has just died in childbirth so she's traveled to the Brookwood Cemetery to place the small infant's body in a rich lady's coffin Following the advice of a kindly midwife this is the only way that Grace can do right by the little baby and to avoid the disgrace of a pauper's grave Grace meets two people at the cemetery who will have a most unusual affect on her life though she doesn't know that yet For now Grace has to suppress her grief and get on with her meager life scraping together enough pennies selling watercress for rent and food and looking after her older sister who is incapable of caring for herself But a great fraud has been perpetrated on young Grace and she is secretly the recipient of a most unusual legacy if only she is able to claim it Of course the rich only get richer in this gothic tale of class distinctions mysterious secrets and malicious fraud *Harry - The Ride of My Life* Wally O'Hearn, 2012-07-31 He may smoke like a chimney drink like a fish and eat like a sparrow but Noel Harris rides like a true champion And he has outlasted many of his competitors still leading them home in his late fifties after having notched up over 2000 wins Along the way he has gained the loyalty of owners and trainers the respect of fellow jockeys and the admiration of race goers He has also had a few beers a bit of fun and lots of laughs enjoying life and loving racing Colourful including green hair on occasions and sometimes outlandish Noel has stood out for his singular riding style his optimism commitment sense of humour and straight shooting sincerity Racing is a game of wins and losses highs and lows and in this book Noel takes us on the rollercoaster from growing up in a racing family and apprenticeship days in a wild and scary Singapore the rides and races of the NZ and Australian racing calendars and the trials tribulations and triumphs of staying at the top Noel gives us the goods on the horses owners trainers jockeys races and officials friends and family the emotions experiences anecdotes and accolades of a long and successful career Cocktail Hour Under the Tree of Forgetfulness Alexandra Fuller, 2011-09-15 Cocktail Hour Under the Tree of Forgetfulness tells the story of the author's mother Nicola Fuller Nicola Fuller and her husband were a glamorous and optimistic couple and East Africa lay before them with the promise of all its perfect light even as the British Empire in which they both believed waned They had everything including two golden children a girl and a boy However life became increasingly difficult and they moved to Rhodesia to work as farm

managers The previous farm manager had committed suicide His ghost appeared at the foot of their bed and seemed to be trying to warn them of something Shortly after this one of their golden children died Africa was no longer the playground of Nicola s childhood They returned to England where the author was born before they returned to Rhodesia and to the civil war The last part of the book sees the Fullers in their old age on a banana and fish farm in the Zambezi Valley They had built their ramshackle dining room under the Tree of Forgetfulness In local custom this tree is the meeting place for villagers determined to resolve disputes It is in the spirit of this Forgetfulness that Nicola finally forgot but did not forgive all her enemies including her daughter and the Apostle a squatter who has taken up in her bananas with his seven wives and forty nine children Funny tragic terrifying exotic and utterly unself conscious this is a story of survival and madness love and war passion and compassion Literary Pioneer ,1847
