

Sir Alec Douglas Home

D. R. Thorpe

Sir Alec Douglas Home:

Sir Alec Douglas-Home Kenneth Young,1972 Sir Alec Douglas Home the most widely respected and trusted of living British statesmen is the subject of this important and revealing biography written with Sir Alec's close cooperation and based in part on long conversations between subject and author *Alec Douglas-Home* D. R. Thorpe,1996 Alec Douglas Home who died in October 1995 was a member of every Conservative administration from 1935 to 1974 At his death he was the oldest survivor of the pre war House of Commons a service of Gladstonian length *Sir Alec Douglas-Home. [With Plates, Including Portraits.].* Emmet John HUGHES,Alec Douglas-Home Baron Home of the Hirsel,1964 *The Uncommon Commoner. A Study of Sir Alec Douglas-Home. [With Portraits.].* John DICKIE (Diplomatic Correspondent of the Daily Mail.),1964 *Alec Douglas Home* D. R. Thorpe,2007-01-01 *The Prime Minister: The Office and Its Holders Since 1945* Peter Hennessy,2001-10-05 He illuminates often for the first time precise Prime Ministerial attitudes toward and authority over nuclear weapons policy the planning and waging of war and the secret services as well as dealing with governmental overload the Suez crisis and the Soviet threat He concludes with a controversial assessment of the relative performance of each Prime Minister since 1945 and a new specification for the premiership as it meets its fourth century BOOK JACKET

God In Number 10 Mark Vickers,2022-10-20 Mark Vickers has given us a wonderful new reference book of the beliefs and non beliefs of 20th century PMs a meaty volume that can also be consumed as a social history of British religion THE TELEGRAPH This carefully researched and well written study reveals the religious faith of our Prime Ministers or lack of it in vivid colours Prepare to be shocked and surprised as the author lays bare their souls SIR ANTHONY SELDON Mark Vickers acclaimed volume on the faith of the twentieth century Prime Ministers casts a new perspective on these holders of the highest political office in the realm While there are biographies aplenty on the 18 men and 1 woman who took up residence behind the famous black door it is notable that that many of these works fail to reflect an important sometimes the most important aspect of the life of their subject God in Number 10 rectifies this omission offering intriguing insights into Margaret Thatcher's legendary Sermon on the Mound Tony Blair's perception of Jesus as a modernizer Arthur Balfour's recourse to spiritualism Stanley Baldwin's mystical experiences and Winston Churchill's involvement with astrology The book considers the role of religion generally in the political classes of the period the reasons for the declining influence of faith in the public forum and the relationship between Church and State The families of H H Asquith Bonar Law Ramsay MacDonald Neville Chamberlain Harold Macmillan Alec Douglas Home and Harold Wilson have all expressed their support for God in Number 10 and where able helped in the research while John Major has assisted fully *British Conservative Leaders* Charles Clarke,Toby S. James,Tim Bale,Patrick Diamond,2025-09-30 As the party that has held power more times than any other the Conservatives have played a crucial role in the shaping of British society And yet the leaders who have stood at its helm from Sir Robert Peel to Rishi Sunak via Winston Churchill and Margaret Thatcher have steered the party vessel with

enormously varying degrees of success particularly latterly when the short but destructive tenures of Boris Johnson and Liz Truss did much to damage the party's reputation for competence. The requirements, techniques and goals of Conservative leadership since the party's nineteenth century factional breakaway have been forced to evolve almost beyond recognition and not all its leaders have managed to keep up. This comprehensive and enlightening book, now fully updated with chapters on all Conservative leaders up to Rishi Sunak and an assessment of the party's leadership in relation to Brexit, considers the attributes and achievements of each leader in the context of their respective time and diplomatic landscape. Offering a compelling analytical framework by which they may be judged, it also provides detailed personal biographies from some of the country's foremost political critics and exclusive interviews with former leaders themselves. An indispensable contribution to the study of party leadership, **British Conservative Leaders** is the essential guide to understanding British political history and governance.

Allies at Odds Eugenie M. Blang, 2011-04-16 *Allies at Odds* examines America's Vietnam policy from 1961 to 1968 in an international context by focusing on the United States' relationship with its European partners: France, West Germany and Great Britain. The European response to America's Vietnam policy provides a framework to assess this important chapter in recent American history within the wider perspective of international relations. Equally significant, the respective approaches to the Vietnam question by the Europeans and Americans reveal the ongoing challenge for nation states of transcending narrowly defined state-centered policies for a global perspective pursuant of common goals among the trans-Atlantic allies. Blang explores the failure of France, West Germany and Great Britain to significantly influence American policy making.

AF Press Clips, 1974
