Gospel Witness through the Ages David M. Gustafson,2022-02-24 A definitive history of Christian evangelism including noteworthy persons movements and methods from the past Christians have been sharing the good news of Jesus Christ with nonbelievers for two thousand years Within this deep history is wisdom for today including numerous models for understanding what evangelism is and how it should be done In Gospel Witness through the Ages David Gustafson introduces

readers to evangelism's noteworthy persons, movements and methods from the entire scope of church history including both examples to emulate and examples to avoid. With this thorough historical approach, Gustafson expands the reader's conception of the evangelistic task and suggests new ways to shape our identity as gospel witnesses today through the influence of these earlier generations of Christians. With discussion questions for further reflection and primary sources from major evangelistic figures of the past, *Gospel Witness through the Ages* is the most definitive history of evangelism available essential for understanding how Christians today can continue proclaiming the gospel to the whole world as Christians have in every century past.

Aimee Semple McPherson Douglas Haig Rudd, 2006. Read of Aimee Semple McPherson's amazing evangelistic meetings and her founding of the 5,300 seat Angelus Temple, a church still vibrant today. Dr. Robert Schuller of the Crystal Cathedral, Garden Grove, California. Late one night Dr. Schuller landed at L.A. International, picked up his car and began the drive home. On the radio he heard a woman preaching. So taken was he with the message that he exclaimed, "I want to get that woman to preach at my church." When the program went off the air, he realized that it had been the voice of Aimee Semple McPherson, recorded years before. Raymond Cox, p. 242. Dr. Jack Hayford, president of the Foursquare Church International. There are very few people who have done more to magnify the person of Jesus and win souls to Him yet who have suffered more unfairness and criticism for doing so. Jack Hayford, *The Legacy of Sister Aimee: Tarnished but Triumphant*. Charisma and Christian Life, March 1993, p. 16.

Rites in the Spirit Daniel E. Albrecht, 1999-12-01. *Rites in the Spirit* is a book about spirituality, ritual and Pentecostal experience. The volume presents a careful and innovative study of Pentecostal practices and experiences. Focusing on the very important but often intriguing worship rites that express the spirituality of Pentecostals, Albrecht discovers that these Pentecostal charismatic rites and their attending sensibilities also function to shape, nurture, authenticate and even transform the spiritual lives of these Christians. *Rites in the Spirit* seeks to guide Pentecostals and the charismatically inclined toward self-interpretation and a more nuanced conception of and a deeper appreciation for their Pentecostal experience. The volume also aims to make a sometimes exotic spirituality more accessible and understandable to those who have had limited contact with Pentecostal charismatic forms and expressions.

A History of Preaching, Volume 1 Rev. O.C. Edwards Jr., 2016-04-25. *A History of Preaching* brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church's ministry of proclamation. Bringing together an impressive array of familiar and lesser-known figures, Edwards paints a detailed, compelling picture of what it has meant to preach the gospel. Pastors, scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching. Volume 1 contains Edwards's magisterial retelling of the story of Christian preaching's development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century's discontent with outdated forms and emphasis on new modes of preaching such as narrative. Along the way, the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to

whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches
