Oleson, Barbara J. Costello, 2019-11-19 This volume marks the 50th anniversary of the publication of Travis Hirschi's seminal work *Causes of Delinquency* The influence of Hirschi's book and the theory of social control it described can scarcely be overstated Social control theory has been empirically tested or commented on by hundreds of scholars and is generally regarded as one of the three dominant theories of crime The current work highlights the impact that social control theory has had on criminological theory and research to date Agnew's contribution highlights the role that Hirschi's tests of control versus strain theory had in contributing to the near demise of classic strain theories and to the subsequent development of general strain theory Serrano Maillo relates control to drift and Todor and Hope compare the human nature assumptions of control theory to the current psychological literature Other contributions return to Hirschi's original Richmond Youth Survey RYS data and demonstrate the robustness of Hirschi's major findings Costello and Anderson find strong support for Hirschi's predictions in an analysis of a diverse group of youths in Fayetteville Arkansas in 1999 Nofziger similarly finds support for Hirschi's predictions with an analysis of the girls in the RYS and explores the criticisms of social control theory that were the result of Hirschi's failure to analyze the data from the girls in the sample Kempf Leonard revisits her seminal 1993 survey of control theory and reviews the current empirical status of control theory Other contributions explore new directions for both social control theory and self control theory The contribution by Cullen Lee and Butler holds that one element of the social bond commitment was under theorized by Hirschi and the authors present a more in depth development of the concept Quist explores the possibility of expanding social control theory to explicitly incorporate exchange theory concepts Ueda and Tsutomi apply control theory cross culturally to a sample of Japanese students and Felson uses control theory to organize criminological ideas Vazsonyi and Javakhishvili's contribution is an empirical analysis of the connections between social control in early childhood and self control later in life Chapple and McQuillan's contribution suggests that the gender gap in delinquency is better explained by increased controls in girls than by gendered pathways to offending Oleson traces the evolution of Hirschi's control theory and suggests that given the relationships between fact and theory a biosocial model of control might be a promising line of

inquiry Fifty Years of Causes of Delinquency The Criminology of Travis Hirschi describes the current state of control theory and suggests its future directions as well as demonstrates its enduring importance for criminological theory and research The volume will be of interest to scholars working in the control theory tradition as well as those critical of the perspective and is suitable for use in graduate courses in criminological theory

*African American Classics in Criminology and Criminal Justice* Shaun L Gabbidon, Helen Taylor Greene, Vernetta D Young, 2002 Congratulations to SAGE author Shaun L Gabbidon for becoming the second scholar in the college s history to be named a Distinguished Professor by the University s Office of the President Pennsylvania State University Harrisburg This collection of writings is crucially important in part because it reminds us the theoretical paradigms of these and other African American scholars are excluded when crime its causes and its control are discussed by criminologists criminal justice practitioners and policy makers To understand crime fully the perspectives advanced by these scholars must become an integral part of discussions about who is a criminal and which public policies will best control crime From the forward by Anne Thomas Sulton Ph D J D From W E B Dubois through Lee Brown this anthology provides a collection of the key articles in criminology and criminal justice written by black scholars Available in a single volume for the first time the articles collected in this book reflect the voices of African American scholars and display the diversity of perspectives sought after in today s academic community Crime in the African American community is examined from social economic and political perspectives and the historical context of each article is provided by the editors Spanning the 20th century these works present a historical chronology of African American views on crime and its control with theoretical perspectives that have often been tangential to mainstream scholarship For your courses in Criminological Theory Race and Crime Crime and Social Policy Minorities and Criminal Justice

**Cybercriminology** Marie-Helen Maras, 2017 A unique and comprehensive overview of the field and its current issues

Cybercriminology analyzes cybercrimes through the lens of criminology. Featuring an accessible conversational writing style, it first discusses traditional criminological theories of criminal behavior and then analyzes how these theories, the existing literature, and empirical studies can be applied to explain cybercrimes. The text also introduces students to types of cybercrime, the nature and extent of cybercrime in the U.S. and abroad, and victim and offender behavior in the online environment.

**FEATURES** Real world case studies and examples demonstrate the extent and complexity of cybercriminology. Boxed features present compelling research topics and scenarios. Review questions stimulate classroom discussions. An Ancillary Resource Center contains an Instructor's Manual, a Test Bank, and PowerPoint lecture outlines.
