However, this is so much more than a book about prebirth communication and spirit babies. It is about the awakening in global consciousness that is occurring right now. A new world is being birthed and it looks very different than the world we've been living in. This new world is one of limitless fearlessness and amazing creativity. At the foundation of this world is unconditional love. The babies coming in right now carry within them the frequency of the new world. If you are reading these words, it is an invitation from your spirit baby to join him or her in that frequency. The words within this book will activate you as they trigger your remembering the remembering of your true nature, which is so much more expansive than you've ever imagined. Any questions you may have about the struggles and challenges you've faced on the way to motherhood, whether it's a miscarriage, stillbirth, abortion, or difficulties conceiving, will be answered. You will feel comforted, supported, and expanded as you are given a complete picture of why things have happened exactly the way they did. And why it's all been perfect. Within these pages, you're invited to drop your limits, fears, and doubts as you expand into the highest version of yourself. *What All Spirit Babies Want Their Mamas to Know* is a paradigm shift and a portal to the new world. Come join your spirit baby there.
