The Happy Man Lachlan Mackenzie, 1979 *The Clergy and the Clearances* David Paton, 2006 The economic religious and cultural transformation of the northern Highlands in the years 1790 to 1850 can be linked directly to the Clearances wholesale evictions of highland sub tenants and small farmers by English landlords who wished to make way for more profitable sheep farming The low esteem in which English speakers regarded the Gaelic community and its language is evident Yet far from fighting change the clergy stands accused of abetting the landlords by preaching the need for individual repentance and submission thus securing a population passive towards the changes Taking evidence from the far north of Sutherland and Ross the epicentre of the crisis author David Paton uses unusual and revealing evidence including Gaelic poetry and descriptions of the emotional effects of a more complex and subtle picture The form of Presbyterianism that sustained the Gaelic community in the Northern Highlands in the face of attack by an alien culture simultaneously prevented effective protest and hindered the expression of a sense of injustice **Many Will Say** John Mackay, My aim in writing this book is to alert people to the possibility that as in other important matters we are liable to be mistaken it is no different for spiritual issues In fact with the devil trying his utmost to make us err it is even more likely to occur spiritually The writing uses as its centrepiece one particular verse from the book of Matthew but it also draws from the surrounding context in the chapter and associated evidence in adjacent chapters It draws on the broad themes contained in the text to illustrate issues relevant to the subject of gospel interpretation *Triumphant Love* J Hans Kommers, 2020-11-17 The book is a treasure trove for scholars in the field of science of religion who focus on comparative religion spirituality and the reception of Christianity in India and Ireland The strength of the book is its comprehensive scope critical and narratological methodology and the depth of the data analysis The exposition of the contextual creative and strategic missionary work of Amy Beatrice Carmichael in south India is innovative and highly informative The book contains a high level of original research in that it goes beyond the existing research on the Carmichael biographies The knowledge of the field is comprehensive and the number and quality of sources impressive The biographic genre and methodology complement the extensive research in the book This combination constitutes a genuine historical foundation for the scholarship The main purpose of the book is to open the field of science to and pique the interest of professional theologians with an interest in missiology and in the valuable contribution of Amy Carmichael of Dohnavur The book includes a comprehensive overview of the existing scholarly work on the topic and then makes a further innovative contribution to and in the end provides the most comprehensive picture of the work of Amy Carmichael to date It will become the definitive reference book on the history of Christian missionary work in south India It is original research and no part of the book was plagiarised from any other publication or has been published elsewhere before **An lasair** Ronald Black, 2001 An Lasair The Flame is a colorful new anthology of over sixty poems from one of the most dynamic periods of Gaelic literature Arranged chronologically and edited with facing
