Mele on the Mauna Joseph Keola Donaghy, 2024-09-03 In the summer of 2019 a group of kia i or protectors made up of k naka iwi Native Hawaiians and their allies came together to prevent the construction of the Thirty Meter Telescope TMT on the dormant volcano Maunakea In Mele on the Mauna Joseph Keola Donaghy explores how music and especially haku mele

or Hawaiian language composers played a crucial role in this defense Musicians flocked to the mauna mountain to perform for the kia i and a worldwide audience via social media Haku mele created new songs at unprecedented levels releasing many commercially with proceeds benefiting organizations providing support services and supplies to the kia i This book features over 30 of the author s interviews with individuals who participated in musical activities connected with this movement including kia i and their supporters composers musicians and community leaders Donaghy explores Indigenous Hawaiian concepts and theories like mana power mo ok auhau and pilina genealogy and relationships kapu aloha philosophical code of conduct and aloha ina love of land patriotism and western academic concepts like connectedness and community building poetics sound ing and silenc e ing conflict and creativity Mele on the Mauna illuminates how music played a powerful role in building solidarity inspiration and activism reveling in the most contentious confrontations about protecting Maunakea and the outpouring of musical performances and creativity that occurred

Lost Kingdom Julia Flynn Siler, 2012-01-03 The New York Times bestselling author delivers a riveting saga about Big Sugar flexing its imperialist muscle in Hawaii A real gem of a book Douglas Brinkley author of American Moonshot Deftly weaving together a memorable cast of characters Lost Kingdom brings to life the clash between a vulnerable Polynesian people and relentlessly expanding capitalist powers Portraits of royalty and rogues sugar barons and missionaries combine into a sweeping tale of the Hawaiian Kingdom s rise and fall At the center of the story is Lili uokalani the last queen of Hawai i Born in 1838 she lived through the nearly complete economic transformation of the islands Lucrative sugar plantations gradually subsumed the majority of the land owned almost exclusively by white planters dubbed the Sugar Kings Hawai i became a prize in the contest between America Britain and France each seeking to expand their military and commercial influence in the Pacific The monarchy had become a figurehead victim to manipulation from the wealthy sugar plantation owners Lili u was determined to enact a constitution to reinstate the monarchy s power but was outmaneuvered by the United States The annexation of Hawai i had begun ushering in a new century of American imperialism An important chapter in our national history one that most Americans don t know but should The New York Times Book Review Siler gives us a riveting and intimate look at the rise and tragic fall of Hawaii s royal family A reminder that Hawaii remains one of the most breathtaking places in the world Even if the kingdom is lost Fortune A well researched nicely contextualized history Indeed one of the most audacious land grabs of the Gilded Age Los Angeles Times

The Bohemians Ben Tarnoff, 2015-02-24 An extraordinary portrait of a fast changing America and the Western writers who gave voice to its emerging identity At once an intimate portrait of an unforgettable group of writers and a history of a cultural revolution in America The Bohemians reveals how a brief moment on the far western frontier changed our culture forever Beginning with Mark Twain s arrival in San Francisco in 1863 this group biography introduces readers to the other young eccentric writers seeking to create a new American voice at the country s edge literary golden boy Bret Harte struggling gay poet Charles Warren Stoddard and beautiful haunted Ina Coolbrith poet

and protector of the group Ben Tarnoff's elegant atmospheric history reveals how these four pioneering writers helped spread the Bohemian movement throughout the world transforming American literature along the way Tarnoff's book sings with the humor and expansiveness of his subjects prose capturing the intoxicating atmosphere of possibility that defined for a time America's frontier The New Yorker Rich hauls of historical research deeply excavated but lightly borne Mr Tarnoff's ultimate thesis is a strong one strongly expressed that together these writers helped pry American literature away from its provincial origins in New England and push it into a broader current Wall Street Journal **Nationalism and**

Internationalism in the Young Ecumenical Movement, 1895-1920s Judith Becker, Dana L Robert, 2025-03-18 This book explores how and why global Protestant movements have been foundational for studies of internationalism During the early twentieth century hopes for the peaceful coexistence of nations animated emerging international Protestant cooperation Despite national hostilities including world war commitment to global Christian fellowship became an urgent public agenda In this volume essays by European Asian and North American scholars locate the essence of the young ecumenical movement in the dynamic tension between nationalism and internationalism during the early twentieth century Political crises crushing disappointments and imperialist ambitions notwithstanding transnational Protestant leaders networks and movements envisioned Christianity as a contemporary multi cultural worldwide community The 'Ukulele Jim Tranquada, John King, 2012-05-31 Since its introduction to Hawai'i in 1879 the ukulele has been many things a symbol of an island paradise a tool of political protest an instrument central to a rich musical culture a musical joke a highly sought after collectible a cheap airport souvenir a lucrative industry and the product of a remarkable synthesis of western and Pacific cultures The Ukulele A History explores all of these facets placing the instrument for the first time in a broad historical cultural and musical context Drawing on a wealth of previously untapped sources Jim Tranquada and John King tell the surprising story of how an obscure four string folk guitar from Portugal became the national instrument of Hawai'i of its subsequent rise and fall from international cultural phenomenon to the Dangerfield of instruments and of the resurgence in popularity and respect it is currently enjoying among musicians from Thailand to Finland The book shows how the technologies of successive generations recorded music radio television the Internet have played critical roles in popularizing the ukulele Famous composers and entertainers Queen Liliuokalani Irving Berlin Arthur Godfrey Paul McCartney SpongeBob SquarePants and writers Rudyard Kipling Jack London P G Wodehouse Agatha Christie wind their way through its history as well as a host of outstanding Hawaiian musicians Ernest Kaai George Kia Nahaolelua Samuel K Kamakaia Henry A Peelua Bishaw In telling the story of the ukulele Tranquada and King also present a sweeping history of modern Hawaiian music that spans more than two centuries beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s *Beneath Heavy Pines in World War II Louisiana* Hayley Johnson, Sarah

Simms, 2023-06-21 December 7 1941 changed the lives of thousands of Japanese Americans who became enemy in the eyes of

the United States government within hours With Pearl Harbor still smoldering these men would be arrested and put into the enemy alien internment system As the study of internment has steadily grown the information about the confinement sites and ability to piece together the experiences of the men within has remained a challenging task Camp Livingston famous as a site for the Louisiana Maneuvers holds a darker and less well known history From 1942 1943 over 1 000 men of Japanese ancestry were held in this internment camp in the pine forests of central Louisiana The authors approach this camp s history via the experiences and linkages to and through two families the Miyamotos and Koharas who are the beating heart at the center of this saga Through them the authors have laid out a historical counter narrative that is part biography and part critical exploration of a forgotten chapter of American history This manuscript is the first of its kind to focus primarily on exploring Camp Livingston arguably one of the lesser known enemy alien internment camps in depth including its layout operations and the daily life and experiences of the internees within

Mysteries and Dreams: the French in Oceania

Sylvie Largeaud-Ortega, Lorenz Gonschor, 2025-10-14 Oceania has been the source of mysteries and dreams from the first contact with Europe onwards both for Indigenous Oceanians and outsiders Mysteries and Dreams The French in Oceania is a collection of cross disciplinary essays that explore the mysteries allures and questionings raised by Indigenous Oceanians and French people about their mutually different worldviews as well as their dreams aspirations or disillusion as they navigate their relationships With a strong focus on reciprocity this original project analyzes diverse forms of French association with Oceania and the responses engendered by Indigenous communities authors and artists as they reshape French narratives Organized along three lines history literature and arts this innovative lens offers unprecedented examinations of hitherto unexplored Oceanian and French figures involved in Oceania bringing to the fore Marist missionary Xavier Montrouzier influential politicians Charles de Varigny and Auguste Marques playwrights and artists Pierre Gope and Greg Semu and filmmakers Sima Urale and douard Deluc It also offers fresh postcolonial approaches to better known figures such as Paris Communard convicts Louis Michel and Henri Rochefort prominent authors like Titaua Peu Selina Tusitala Marsh Teresia Teaiwa Vilsoni Hereniko and douard Glissant and widely discussed artists like Yuki Kihara It also critically engages individuals representing the colonial gaze such as Pierre Loti Allan Hughson and Paul Gauguin Spanning across Oceania from the Solomon Islands to Rapa Nui Hawai i to Aotearoa New Zealand Tahiti and Kanaky New Caledonia it shows the wide impacts of the French on this vast region Bridging together Anglophone and Francophone Oceania this volume is an authoritative and enlightening reference to scholars and students in postcolonial Pacific Island studies to Indigenous and non Indigenous Oceanians wishing to discover interactive processes of change in their region s past and present and more generally to all outsiders who might some day have felt inclined to fall under the spell of an imaginary Oceania

Noise Uprising

Michael Denning, 2015-08-18 A radically new reading of the origins of recorded music Noise Uprising brings to life the moment and sounds of a cultural revolution Between the development of electrical recording in 1925 and the outset of

the Great Depression in the early 1930s the soundscape of modern times unfolded in a series of obscure recording sessions as hundreds of unknown musicians entered makeshift studios to record the melodies and rhythms of urban streets and dancehalls The musical styles and idioms etched onto shellac disks reverberated around the globe among them Havana s son Rio s samba New Orleans jazz Buenos Aires tango Seville s flamenco Cairo s tarab Johannesburg s marabi Jakarta s kroncong and Honolulu s hula They triggered the first great battle over popular music and became the soundtrack to decolonization

Potent Mana Wende Elizabeth Marshall, 2012-01-02 Brilliantly elucidating and weaving together the forces of indigenous sovereignty colonialism and personal health *Potent Mana* offers a uniquely holistic and intimate portrait of the long term effects of colonialism on an indigenous people the k naka maoli Native Hawaiians An ethnographic exploration based on fifteen months of research the book moves the conversation on the dangerous effects of colonialism forward by exploring the theories and practices of Native Hawaiians engaged in decolonization Decades of substance abuse mental illness depression language loss and the concomitant dispossession from sacred lands have accompanied colonialism Consequently healing both mental and physical are essential to decolonization and indigenous sovereignty in twenty first century Hawai i Native Hawaiian run treatment centers and clinics more than political rallies are centers for healing and decolonization on O ahu today The effects of colonialism and the measures taken to counter and move beyond it as Wende Marshall convincingly argues do not take place solely on a supralocal level but shatteringly involve the physical and emotional well being of real individuals Becoming decolonized is about overcoming the shame of colonialism and requires a process of remembering the traditions of ancestors and reinterpreting and rewriting histories that have only been told from a colonial point of view Decolonization is an indigenous perspective and an understanding that health was impossible without political power and cultural integrity

Ancestry of Experience Leilani Holmes, 2016-08-31 As Hawaiians continue to recover their language and culture the voices of kupuna elders are heard once again in urban and rural settings both in Hawai i and elsewhere How do kupuna create knowledge and tell history What do they tell us about being Hawaiian Adopted by a Midwestern couple in the 1950s as an infant Leilani Holmes spent much of her early life in settings that offered no clues about her Hawaiian past images of which continued to haunt her even as she completed a master s thesis on Hawaiian music and identity in southern California *Ancestry of Experience* documents Holmes quest to reclaim and understand her own origin story Holmes writes in two different and at times incongruent voices one describing the search for her genealogy the other critiquing Western epistemologies she encounters along the way In the course of her journey she finds that Hawaiian oral tradition links identity to the land aina through ancestry while traditional scholarly theories of knowing particularly political economy and the discourse of the invention of tradition textually obliterate land and ancestry In interviews with kupuna Holmes learns of the connectedness of spirituality and aina through her study and practice of hula kahiko comes an understanding of ancient hula as a conversation between aina and the dancer s body that has the power to activate historical

memory Holmes experience has special relevance for indigenous adoptees and indigenous scholars Both are distanced from the knowledge agendas and strategies of their communities and are tasked to speak in languages ill suited to the telling of their own stories and those of their ancestors In addition to those with an interest in Hawaiian knowledge and culture Ancestry of Experience will appeal to readers of memoirs of identity academic and personal accounts of racial identity formation and works of indigenous epistemologies A website www.ancestryofexperience.com will include supplementary material

□□□□□□□□:□□□□□□□□□□ □□□□,2018-10-01 *Corporate Social Responsibility and Natural Resource Conflict* Kylie McKenna,2015-10-23 This book examines the possibilities and limitations of corporate social responsibility in minimising the violent conflict often associated with natural resource exploitation Through detailed and penetrating empirical analysis the author skilfully asks why previous corporate social responsibility practices have not always achieved their aims This theme is explored though an analysis of two of the most complex and protracted conflicts linked to natural resources in the Asia Pacific region Bougainville Papua New Guinea and West Papua Indonesia Drawing on first hand accounts of corporate executives and communities affected by resource conflict this book documents the translation of global corporate social responsibility into local peace Covering topics as diverse as post colonialism law revenue distribution security the environment and customary reconciliation this ambitious text reveals how and why current corporate social responsibility initiatives may be unable to assist extractive companies avoid social conflict The study concludes that this is attributable to the failure of extractive companies to respond to the social and environmental issues of most concern to local host communities The idea is that extractive companies could actively contribute to peace building if they were to engage with the interdependencies between business activity and the root causes of conflict What sets this book apart is that it offers a holistic framework for extractive companies to engage with the complexity of resource conflict Interdependent Engagement is an integrated model of corporate social responsibility that encourages extractive companies to deal with the underlying causes of resource conflict rather than applying solutions or critiques of their symptoms

Beaked Whales Richard Ellis,James G. Mead,2017-05-08 The only book dedicated to the mysterious beaked whale this beautiful volume combines full color illustrations with fascinating facts Beaked whales have been shrouded in mystery for most of the twentieth century Denizens of deep remote ocean waters and highly resistant to life in captivity they have proven notoriously difficult for humans to observe Over the past few decades however scientists have gained a better understanding of this distinct group of cetaceans deciphering the natural history of the twenty two beaked whale species Here famed artist and naturalist Richard Ellis and leading beaked whale researcher James G Mead bring these elusive marine mammals into the limelight Beaked whales generous life spans can extend well past 70 years They spend their decades diving to extreme depths in search of prey which they capture by expanding their oral cavity suddenly to suck in the squid or fish they are hunting It appears that these sleek predators may engage in fierce clandestine aquatic battles as the bodies of many males are covered in scars

Because many species are only somewhat larger than dolphins they are often confused with porpoises however some larger beaked whale species may grow to 40 feet These enigmatic and compelling creatures need our help their numbers are declining perhaps due to the damaging effects of naval sonar on their sophisticated auditory systems In Ellis and Mead's book the beaked whales finally get their due The duo provides a combination of captivating stories about the species original Richard Ellis art and photos from leading natural history photographers The result is an accessible beautiful book the first of its kind on this unusual group of cetaceans Meet the beaked whales and enjoy the fascinating and mysterious world in which they live

The Politics of Controlling Organized Crime in Greater China Sonny Shiu-Hing Lo, 2015-12-14 In China the central government has the political will to control organized crime which is seen as a national security threat The crux of the problem is how to control local governments that have demonstrated lax enforcement without sufficient regulation from the provincial governments The development of prostitution underground gambling and narcotics production has become so serious that the central government has to rely on anti crime campaigns to combat these three evils This book explores the specific role of government institutions and agencies notably the police in controlling organised and cross border crime in Greater China Drawing heavily on original empirical data it compares the both the states of the People's Republic of China and Taiwan as well as city states Hong Kong and Macao This region has become increasingly economically integrated and human interactions have been enhanced through improved trade relations tourism and increased individual freedom The book argues that the regime capacity of crime control across Greater China has been expanded through regional and international police cooperation as well as anti crime campaigns It suggests that a strong central state in China is necessary to rein in the local states and to prevent the risk of deteriorating into a political criminal nexus Focusing on regime capacity in crime control regime autonomy from crime groups and regime legitimacy in the fight against organized crime this thought provoking book will be of great interest to students and scholars of Chinese politics and criminology more broadly

Invented History, Fabricated Power Barry Wood, 2020-11-16 Invented History Fabricated Power begins with an examination of prehistoric beliefs in spirits souls mana orrenda that provided personal explanation and power through ritual and shamanism among tribal peoples On this foundation spiritual power evolved into various kinds of divine sanction for kings and emperors Sumerian Egyptian Greek Roman Indian Chinese and Japanese As kingships expanded into empires fictional histories and millennia long genealogies developed that portrayed imperial superiority and greatness Supernatural events and miracles were attached to religious founders Hebrew Hindu Buddhist Christian Islamic A unique variation developed in the Roman Church which fabricated papal power through forgeries in the first millennium CE and the later doctrine of discovery which authorized European domination and conquest around the world during the Age of Exploration Elaborate fabrications continued with epic histories and literary cycles from the Persians Ethiopians Franks British Portuguese and Iroquois Indians Both Marxists and Nazis created doctrinal texts which passed for economic or political

explanations but were in fact self aggrandizing narratives that eventually collapsed The book ends with the idealistic goals of the current liberal democratic way of life pointing to its limitations as a sustaining narrative along with numerous problems threatening its viability over the long term **The Oxford Handbook of the History of Communism** S. A.

Smith,2014-01-09 The impact of Communism on the twentieth century was massive equal to that of the two world wars Until the fall of the Soviet Union in 1991 historians knew relatively little about the secretive world of communist states and parties Since then the opening of state party and diplomatic archives of the former Eastern Bloc has released a flood of new documentation The thirty five essays in this Handbook written by an international team of scholars draw on this new material to offer a global history of communism in the twentieth century In contrast to many histories that concentrate on the Soviet Union The Oxford Handbook of the History of Communism is genuinely global in its coverage paying particular attention to the Chinese Revolution It is global too in the sense that the essays seek to integrate history from above and from below to trace the complex mediations between state and society and to explore the social and cultural as well as the political and economic realities that shaped the lives of citizens fated to live under communist rule The essays reflect on the similarities and differences between communist states in order to situate them in their socio political and cultural contexts and to capture their changing nature over time Where appropriate they also reflect on how the fortunes of international communism were shaped by the wider economic political and cultural forces of the capitalist world The Handbook provides an informative introduction for those new to the field and a comprehensive overview of the current state of scholarship for those seeking to deepen their understanding *Pamphlets on Forestry in Hawaii* ,1911 **Racism Against Indigenous**

Peoples International Work Group for Indigenous Affairs,2001 This book is published in connection with the UN World Conference Against Racism Racial Discrimination Xenophobia and Related Intolerance held in South Africa 2001 and it contains articles by experts from throughout the world cover

The Hawaiian Journal Of History Vol 33 1999 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Hawaiian Journal Of History Vol 33 1999 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Hawaiian Journal Of History Vol 33 1999 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Hawaiian Journal Of History Vol 33 1999 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Hawaiian Journal Of History Vol 33 1999. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Hawaiian Journal Of History Vol 33 1999 any PDF files. With these platforms, the world of PDF downloads is just a click away.
