The Button Therapy Book has made an incredible difference in my attitude and my life I am able to relax more and don't get as uptight or angry as I used to I have always been a person who had my Buttons pushed fairly easily and now I understand how to identify my Buttons address them in a calm and loving way and most importantly get rid of them I've also been able to take the information given in the book and pass it on to my children to help them overcome their Buttons Dr Goodwin gives the reader all the tools they need to live happier healthier lives starting immediately I highly recommend this book it is a must for any person who is interested in improving his or her quality of life and getting rid of those buttons Jodie Wilkerson from Greenville NC Get Ready to Unbutton and Be Free Button Therapy a MUST HAVE for any mental health professional and or the lay person I have found many insights in this book and I have recommended it to just about everyone I know I think that Dr Goodwin has hit the button on the head and has loosened its thread with his insightful caring explanation of our Buttons and how to deal with them I find myself referring to it regularly in my business Thanks Lloyd I am happier my clients are happier and we all understand others and ourselves better now that we have read your book We will all be looking forward to your next work Suzanne Osborne Ph D Clinical Psychologist Forensic Psychologist Criminal Profiler Counselor from North Myrtle Beach SC A Model for Personal and Spiritual Growth The Button Therapy Book is a creative synthesis of Eastern and Western models for personal and spiritual growth An incredible compilation and synthesis of psychological self help techniques You would have to read 10 books to get the information and number of self help techniques presented in this book I've personally benefited from applying this practical six step self help model to some of my Buttons The chapter titled 30 Seeds for Your Mind's Garden is worth the price of this book alone The 30 Seeds are guidelines that have been helpful in my journey of personal and spiritual growth Planting these life enhancing seeds into the gardens of our minds enables us to become more conscious aware loving and compassionate This is simply the best psychological self help book I've ever read I've already recommended this book to my friends An excellent read Patricia Pollard M P A Administrator from Health Sciences Personnel Brody School of Medicine East Carolina University Greenville NC Button Therapy Book Good for Self Helpers and Professionals Goodwin has written a very readable book which includes a thorough compilation of respected authors therapists and philosophers Those views augmented with his many years of counseling experience provide a useful theoretical and practical book for both the mental health professional as well as the individual seeking a good self help reference and guide including inventories in the appendix Stephen K Creech Ph D Mental Health Professional and Musician from Winterville NC Button Therapy I was excited to see three decades of counseling theories approaches and strategies in mind body therapy brought together in one resource that is readable and accessible for either the lay reader or counseling professional This book is unique because it combines psychological research with very usable self assessments and self help techniques that can be applied in the real world The element that I found most helpful are the 30 Seeds for Your Mind's Garden in Chapter 21 This presents a summary and cognitive guideline of living life most effectively to its fullest potential

Mark Stebnicki Rh D LPC CRC CDMS Professor and Director Rehabilitation Counselor Education Program East Carolina University Greenville NC A Fantastic Book A super way to learn how to deal with all the Buttons and Button Pushers in your life Learn to be a happier healthier and hopefully a better person all around Ned Petrak Financial Advisor Goldsboro NC CONGRATULATIONS Congratulations Dr Goodwin You ve done a wonderful job I like the holistic nature of this cognitive behavior therapy model The vast majority of clients I have worked with see themselves as pawns in this world being blown from one situation to the other with minimal control They often experience their emotions and actions as responsive to external forces rather than behavioral choices over which they have control The Button Therapy Book teaches that the locus of most situations is internal and therefore under our control Most of us are spiritually empty I am very positive that they will be able to fill that spiritual void by reading The Button Therapy Book I will recommend this book to any mental health professional I know Agyenim A Boateng M S CRC CCAS LPC Mental Health Professional from Pinehurst NC An Excellent Guide To Feeling Good The Button Therapy Book provides techniques that will immediately lift your spirits and help you develop a positive outlook on life Everyone has Buttons and Button Pushers Dr Goodwin provides a framework to recognize the cognitions i e thoughts beliefs etc attached to Buttons that produce negative results Through the 21 Button removal strategies described in the book empowerment is accessible A great tool box for those working in the mental health field as well as for anyone seeking personal growth If you have the desire to dance to the music of the universe instead of dancing every time somebody pushes your Buttons buy it read it you deserve it Sharon Williams from Washington NC Tired of Getting Your Buttons Pushed The Button Therapy Book is an excellent life enhancement manual I highly recommend it Its foundations are based on the teachings of Buddha Jesus Christ and Ken Keyes Jr The Button Therapy Book also nicely wraps up the best of the best literature from prominent psychologists philosophers and modern day shamans The fewer Buttons

Magic Apples Lee Steels,2014-08-29 MAGIC APPLES is a daily reader with 366 reflections to mull The topics are broad in scope with a liberal approach Drawn from the author s experience as a teacher parent coach musician and big kid the reflections are an eclectic mix of food for thought Every 6th day is a silly story intended to produce those healing endorphins we all need to keep our equilibrium There are plenty of opportunities to laugh cry and to agree or disagree If you need to escape from autopilot and enhance your life long learning skills MAGIC APPLES should give you lots to chew on If you desire a modern approach to traditional tales new ways to love your fellowtravelers and the chance to laugh at the human condition a magic apple each day will be to your delight Low-Cost Approaches to Promote Physical and Mental Health Luciano L'Abate,2007-06-06 Most physical and mental health professionals will agree that their time space and funds are generally in short supply even under optimal conditions Their participants clients or patients too will admit to similar deficits of time and patience even with optimal motivation Overburdened mental health facilities are trying to cope with limited budgets and overworked and underpaid personnel Low Cost Approaches to Promote Physical and Mental Health addresses both sides of

this shortfall by offering either self administered or easily administered verbal and non verbal interventions designed to promote positive health behaviors while requiring little or no outside funding Editor Luciano L Abate continues his long tradition of prolific innovations by identifying major changes in today s health care systems and explaining how targeted prescriptive promotion prevention strategies can enhance traditional primary secondary and tertiary interventions in key behavioral and relational areas Nutrition weight obesity control diets meal planning vitamins and minerals herbal supplements Exercise expressive movement relaxation meditation and mindfulness Writing for mental health promotion from structured protocols workbooks to less structured focused expressive and guided writing including diaries and autobiographies Sex sexuality affection intimacy and fear of intimacy Mother child bonding as well as couple and family togetherness Spirituality and forgiveness in dealing with inevitable life hurts and disappointments Friendships and support groups Plus leading edge interventions including emotional intelligence animal companionship and computer technology Reviews of each promotional approach are engaging effective and consistent with standard psychological practice for lasting results either away from or in addition to non clinical and clinical settings schools hospitals seniorcitizen centers etc L Abate and his fifty colleagues have designed a future oriented sourcebook for mental and public health professionals who want to maximize their resources and those of their participants

Total Renewal Frank Lipman, Md,2004-12-16 In terms of health most of us live at 50 percent of our capacity Total Renewal takes us the rest of the way there To varying degrees we all suffer from digestive disorders low grade toxicity or fluctuating blood sugar levels While not ballooning into full fledged diseases these conditions limit our enjoyment of life and prefigure illnesses that loom in our future Consisting of seven steps Dr Frank Lipman s Total Renewal Program is the key to reversing the unhealthy habits and poor functioning that we have slowly developed and accepted over the course of our lives The program replaces them with new behaviors that leave us stronger healthier and more durable Dr Lipman s seven steps are 1 Take Responsibility for Your Health and Well Being 2 Remove Toxins and Decrease Your Total Load 3 Recognize Your Unique Diet 4 Replenish Nutrients and Balance Hormones 5 Release Tension and Relieve Stress 6 Revitalize with a Detox 7 Reconnect to Yourself Others and Nature
