rheumatism a sort of human Z as he described himself Despite his ailments Scarron presided over the liveliest and most scandalous literary salon in Paris and Fran oise quickly became its most prized ornament After Scarron s death she enjoyed a merry widowhood in the fashionable Marais district in the company of the courtesan Ninon de Lenclos and the King s splendid mistress Ath na s de Montespan who made the young widow governess to her brood of illegitimate children The appointment transformed Fran oise s life but was fatal to the temperamental Ath na s herself with the King soon turning his attentions to the graceful governess Fran oise was raised to the nobility as Madame de Maintenon and unofficially Madame de Maintenant the lady of the moment The acclaimed biographer Veronica Buckley traces the extraordinary story of Fran oise s progress from pauper child to salonni re to the compromised position of Louis s secret wife and uncrowned Queen An absolute ruler Louis turned away his many other mistresses to live with Fran oise only trusting her as his closest confidante and remaining in love with her for forty years Sparkling with the irresistible wit of contemporary chroniclers such as Madame de S vign this exactly researched biography is a pinnacle of the form In vibrant colors The Secret Wife of Louis XIV paints a portrait of Europe in an age of violent change and the Sun King s France in the process of becoming its modern self
