The Key To Understanding Revelation:

The Key to Understanding Revelation Pastor Jim Knotek, 2019-04-04 For years people would ask author Jim Knotek his opinion of The Mark of the Beast 666 Armageddon the Millennium and other topics in the Book of Revelation He was convinced that Revelation is a book of historical and prophetic parallels not a chapter by chapter chronological or linear account Chapter twelve focuses on the birth of Jesus Christ which is in the middle of the book How could that be if it were a linear account Furthermore there are several events that are described more than once paralleling one another The rapture which is a coined word from the 1800s is not a biblical word What about the Seven Years of Tribulation That statement is nowhere to be found in the Bible If we are to understand the Apostle John s Revelation we must allow scripture to interpret scripture We cannot use current events as many authors have done All of their books have become outdated as time passes Truly there must be a key to help us understand Revelation more clearly This book is an enlargement of Pastor Jim Knotek s previous book *Unlocking the Mystery of Revelation* It is written in laymen s term and is an excellent commentary for teachers and pastors who many have hesitated to teach a class on Revelation Pastor Jim Knotek is a graduate of Andrews University M A and Concordia Theological Seminary M Div majoring in New Testament and Biblical Languages He has served several congregations in southern California including Capistrano Beach and Huntington Beach Pastor Knotek is also the author of *Angels and Miracles Grief and Hope* a book that was written in tribute to his wife Ruth who departed to be with her Lord in 2010 due to Alzheimer s disease

The Beast Jonathan P. Leonard,2014-01-30 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 18 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 18 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day Crossing the Threshold of Divine Revelation William j. Abraham,2006-03-09 The last few decades have seen a revolution in debates about the rationality of Christian belief Among the array of current options for justifying religious belief however nearly every one assumes that a general theory of knowing and a minimal version of theism must be adopted before the rationality of Christian belief can be tackled In Crossing the Threshold of Divine Revelation William J Abraham confronts both of these assumptions arguing that epistemology must begin with its particular target of inquiry in Abraham s case the full blooded canonical theism of the early undivided Christian church He argues moreover that special divine revelation forms a crucial threshold at the entrance to the epistemology of Christian belief Sure to intrigue philosophers theologians and curious students Abraham s robust vision of Christian faith provides a creative solution to many of the current difficulties in philosophy and theology *Revealing The Book Of Revelation* Alisha Koslow,2021-07-13 If we did not realize already that it takes a lifetime to understand the Bible and that s a good thing the point is driven home when we get to the last book in the Bible Revelation It starts out simply enough it is a revelation in Greek apocalypse from Jesus Christ it is a prophecy and it comes as a letter to seven churches Fair enough but then come to the angels beasts earthquakes horses and riders wars thrones and much more What are we to make of all this The author is a

pastor and Bible teacher whose New Testament studies have impacted many around the world In this book he tackles one of its toughest books taking the mystery out of what has become a complicated approach to Revelation Examining what the book meant to the early churches to which it was sent he presents a verse by verse study that exalts the Lord Jesus Christ as King over all philosophies dictators and false gods By uncovering its significance to early believers The Revelation Project provides valuable lessons for modern readers as well It reclaims the last book as one of wonder and victory that will enhance your devotional life and improve your understanding not only of Revelation but of the entire Bible as well Whether you read one study every week for a year or choose to go more slowly or more quickly this is a book that will give you the confidence that God s mysteries are not mysteries at all but subtle truths He wants you to understand for your everyday life and work
