The Last Days of Sardar Patel Vijay Tendulkar, 2001 [The Message for the Last Days](#) K.J. Soze, 2019-06-17 This award winning book examines the foundation of Bible prophecy brought forward from the Old Testament to the New The Message for the Last Days is a comprehensive look back to the foundation of God s word as it secures the reality of the gospel The Future is Revealed by Understanding the Past

The Curtain Falls: The Last Days Of The Third Reich Folke Bernadotte, 2015-11-06 COUNT FOLKE BERNADOTTE attracted the whole world s attention during the hectic months that preceded the total collapse of the Third Reich and the capitulation of the German forces About the middle of February 1945 he set out from Sweden for Germany to try to establish contact with Heinrich Himmler and induce him to allow all Danes and Norwegians in German concentration camps to be transported to Sweden for internment until the end of the war In this book which is based on his own notes and reports Count Bernadotte describes his various missions which were repeated up to the very day of the surrender his meetings with Himmler and other leading figures of the Nazi regime and gives Intimate close ups of the events and the weird atmosphere in which the last act of the drama of the Third Reich was played He explains further how his project which originally had had a purely humanitarian character developed a political one of great importance when long past the eleventh hour he was asked to convey via the Swedish Government Himmler s offer of surrender to the western Powers After the war Bernadotte was unanimously chosen by the victorious powers to be the United Nations Security Council mediator in the Arab Israeli conflict of 1947 1948 He was assassinated in Jerusalem in 1948 by members of the underground Zionist group Lehi while pursuing his official duties

[Spirit of the Last Days](#) Peter Althouse, 2003-10-01 Early Pentecostals proclaimed the restoration of the charismatic gifts

as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This boook proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope

Freedom's Dawn Louis DeCaro Jr.,2015-06-25 John Brown s failed raid on the federal armory in Harper s Ferry Virginia served as a vital precursor to the Civil War but its importance to the struggle for justice is free standing and exceptional in the history of the United States In *Freedom s Dawn* Louis DeCaro Jr has written the first book devoted exclusively to Brown during the six weeks between his arrest and execution DeCaro traces his evolution from prisoner to convicted felon to a prophetic figure then martyr and finally the rise of his legacy In doing so he touches upon major biographical themes in Brown s story but also upon antebellum political issues violence and terrorism and the themes of political imprisonment and martyrdom *Price of Freedom* Henry David Thoreau,2007 Excerpts from Thoreau s journals concerning civil disobedience conscience law government slavery war and economics These passages are what Thoreau considered to be the price of freedom his attempts to mine the richest vein of observations about human conscience and political philosophy and to present what he found free from all censorship *Freedom or Death* Markus Sabo Gabriel,2024-10-01 This book covers the planned destruction of the Patriot Movement in the United States and the main reasons that caused it The author will demonstrate how easy it was for the Plutocrats to divert this vital patriotic reactionary movement against communism into nationalism and even national socialism By supplying demagogues and counter intelligence to take it over It contains furthermore a perspective on the Crown Virus that started in 2020 and how mankind should face the threat of the new age the Era of Technocracy The reader will learn that the few very important concepts in this book are enough to shake the foundation of the corrupted establishment of this world Its solidity is founded on images and illusions *Fatal Freedom* Thomas Szasz,2002-08-01 *Fatal Freedom* is an eloquent defense of every individual s right to choose F a voluntary death By maintaining statutes that determine that voluntary death is not legal Thomas Szasz believes that our society is forfeiting one of its basic freedoms and causing the psychiatric medical establishment to treat individuals in a manner that is disturbingly inhumane Society s penchant for defining behavior it terms objectionable as a dis ease has created a psychiatric establishment that exerts far too much influ ence over how and when we choose to die In a compelling argument that clearly and intelligently addresses one of the most significant ethical issues of our time Szasz compares suicide to other practices that historically began as sins became crimes and now arc seen as mental illnesses **The Latter-Day Saints' Millennial**
