To the Last Man Jeff Shaara, 2005-08-30 Jeff Shaara has enthralled readers with his New York Times bestselling novels set during the Civil War and the American Revolution Now the acclaimed author turns to World War I bringing to life the sweeping emotional story of the war that devastated a generation and established America as a world power Spring 1916 the horror of a stalemate on Europe's western front France and Great Britain are on one side of the barbed wire a fierce German army is on the other Shaara opens the window onto the otherworldly tableau of trench warfare as seen through the eyes of a typical British soldier who experiences the bizarre and the horrible a Tommy whose innocent youth is cast into the hell of a terrifying war In the skies meanwhile technology has provided a devastating new tool the aeroplane and with it a different kind of hero emerges the flying ace Soaring high above the chaos on the ground these solitary knights duel in the splendor and terror of the skies their courage and steel tested with every flight As the conflict stretches into its third year a neutral America is goaded into war its reluctant president Woodrow Wilson finally accepting the repeated challenges to his stance of nonalignment Yet the Americans are woefully unprepared and ill equipped to enter a war that has become worldwide in scope The responsibility is placed on the shoulders of General John Blackjack Pershing and by mid 1917 the first wave of the American Expeditionary Force arrives in Europe Encouraged by the bold spirit and strength of the untested Americans the world waits to see if the tide of war can finally be turned From Blackjack Pershing to the Marine in the trenches from the Red Baron to the American pilots of the Lafayette Escadrille **To the Last Man** is written with the moving vividness and accuracy that characterizes all of Shaara's work This spellbinding new novel carries readers the way only Shaara can to the heart of one of the greatest conflicts in human history and puts them face to face with the characters who made a lasting impact on the world

To The Last Man Alexander Cohen, 2018-10-18 In the Forgotten War there are many who served whose names and memories will never be forgotten US Army Sergeant William T Miles is one of them From the hunting trips of his youth in the Pocono Mountains where he learned many of the skills that would help him in wartime to chaotic battlefields of Korea Miles made a lasting impression on all those he knew then he disappeared On July 6 1951 Miles was part of a joint US South Korean Special Forces team operating deep behind enemy lines in North Korea when the team was attacked by a large enemy force

As they tried to break contact with the enemy Miles volunteered to stay behind and cover the retreat of his fellow team members He was never seen or heard from again Miles s fate remained a mystery for decades after the end of the Korean War Amid conflicting and erroneous reports of what happened on the day he disappeared his family never knew the full details or circumstances of his disappearance However in 2017 new evidence discovered among declassified military documents and among the recollections of Korean War veterans shed new light on the story of William T Miles and the sacrifice he made that day providing closure to his family after sixty six years Until the Last Man Comes Home Michael J. Allen,2009-09-18 Fewer Americans were captured or missing during the Vietnam War than in any previous major military conflict in U S history Yet despite their small numbers American POWs inspired an outpouring of concern that slowly eroded support for the war Michael J Allen reveals how wartime loss transformed U S politics well before and long after the war s official end Throughout the war s last years and in the decades since Allen argues the effort to recover lost warriors was as much a means to establish responsibility for their loss as it was a search for answers about their fate Though millions of Americans and Vietnamese took part in that effort POW and MIA families and activists dominated it Insisting that the war was not over until the last man comes home this small determined group turned the unprecedented accounting effort against those they blamed for their suffering Allen demonstrates that POW MIA activism prolonged the hostility between the United States and Vietnam even as the search for the missing became the basis for closer ties between the two countries in the 1990s Equally important he explains POW MIA families disdain for the antiwar left and contempt for federal authority fueled the conservative ascendancy after 1968 Mixing political cultural and diplomatic history Until the Last Man Comes Home presents the full and lasting impact of the Vietnam War in ways that are both familiar and surprising *Last Man Standing* Jack Olsen,2001-11-06 Jack Olsen s Last Man Standing is the gripping story of Geronimo Pratt war hero and community leader who was framed by the FBI in one of the greatest travesties of justice in American history Geronimo Pratt did not commit the murder for which he served twenty seven nightmarish years As a UCLA student though he had led the Los Angeles Chapter of the Black Panther Party and became a target of the FBI Here is the spellbinding saga of Pratt his heroic lawyers Johnnie Cochran and Stuart Hanlon and the Reverend James McCloskey who overcame all the odds to bring the truth to light and free Geronimo School's Out Scott K. Andrews,2007-08-02 After the world died we all sort of drifted back to school After all where else was there for us to go It s never easy being fifteen but when your teachers are killing each other the prefect who loves to bully you is experimenting with crucifixion and the rival gang from across town have decided that ritualistic cannibalism is the way to go spots and BO don t seem like such big problems after all These are the final days of St Marks School For Boys and the punishment for disobedience is death **United Mine Workers Journal** United Mine Workers of America,1916
