

A black and white photograph of a crumpled newspaper, likely a front page, lying on a dark surface. In the background, a window with a grid pattern is visible. The title 'THE LAST PAGE' is overlaid in a large, white, serif font. The word 'THE' is at the top, 'LAST' is in the middle, and 'PAGE' is at the bottom. The 'L' in 'LAST' is particularly large and extends to the left, partially overlapping the newspaper.

The Last Page Giulia Pretta, 2024-10-11 Mark Holden is a London based thriller writer Following a mugging he ends up in the hospital but apart from a few bruises and the theft of his leather bag containing his agenda he hasn't lost anything His fear of suffering from amnesia is ruled out Mark is trying to finish his latest work a trilogy featuring the adventurous Mr Harris but his dream is to pursue a career in the theater as befits any self respecting English author Given the success of his thrillers he knows the proposal will face opposition but being the best friend of the publisher should be of help The only element of novelty is the arrival of a new neighbor Judy Morgan The two bond immediately Judy even manages to find a craftsman capable of replicating the stolen leather bag However for Mark this new bag identical to the old one conveys a strange sensation almost like déjà vu As if he and Judy had known each other for much longer As if the idea of amnesia were no longer so implausible

The Last Page Kajal V Mishra, 22-03-13 Falling in love is not a very frequent thing Sometimes we just take mere attractions as love And such considerations have no future come what may Before you decide anything just listen to your heart first Can't we wait for the right person why cannot you keep that feeling special only for him It is certain that he has to become a part of your life all we need is to give some time to our relationships Once you are in love nothing on this earth can make you change your mind As it's not the mind but our heart that comes up and takes the decision Love is when you don't know why you seem to be attracted to that person I believe there is a reason for it but the reason is still unknown

The Last Page Anthony Huso, 2010-08-17 Dark and rich epic in scope in *The Last Page* Anthony Huso has crafted a fantasy in the vein of China Mieville's *Perdido Street Station* and Mervyn Peake's *Gormenghast* teeming with unthinkable horrors and stylish wonders The city of Isca is set like a dark jewel in the crown of the Duchy of Stonehold In this sprawling landscape the monsters one sees are nothing compared to what's living in the city's sewers Twenty three year old Caliph Howl is Stonehold's reluctant High King Thrust onto the throne Caliph has inherited Stonehold's dirtiest court secrets He also faces a brewing civil war that he is unprepared to fight After months alone amid a swirl of gossip and political machinations the sudden reappearance of his old lover Sena is a welcome bit of relief But Sena has her own legacy to claim she has been trained from birth by the Shradnae witchocracy adept in espionage and the art of magical equations writ in blood and she has been sent to spy on the High King Yet there are magics that demand a higher price than blood Sena secretly plots to unlock the *Cisrym Ta* an arcane text whose pages contain the power to destroy worlds The key to opening the book lies in Caliph's veins forcing Sena to decide if her obsession for power is greater than her love for Caliph Meanwhile a fleet of airships creeps ever closer to Isca As the final battle in a devastating civil war looms and the last page of the *Cisrym Ta* waits to be read Caliph and Sena must face the deadly consequences of their decisions And the blood of these conflicts will stain this and other worlds forever At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
