The Last Testament Of Oscar Wilde:

The Last Testament of Oscar Wilde Peter Ackroyd, 1983 In 1900 Oscar Wilde is living in exile in Paris Impoverished in failing health and abandoned by all but a few friends he reflects on his once brilliant career and on the infamous trial and imprisonment for acts of gross indecency that shattered his life A stunning tour de force this poignant and clever novel daringly written by Ackroyd in the form of a journal that Wilde might have kept during the last months of his life presents a wonderfully entertaining and touching portrait of the life of one Britain's most famous literary figures Back cover

The Last Testament of Oscar Wilde Peter Ackroyd, 1988 *The Last Testament of Oscar Wilde* Peter Ackroyd, 1990 **My Words Echo Thus** Barry Lewis, 2007 A reading of Ackroyd that maps the influence of his historical and fiction writings on one another **History is Mostly Repair and Revenge** Liliana Sikorska, 2010 Papers presented at a symposium organized by the Dept of English Literature and Literary Linguistics School of English Adam Mickiewicz University in Poznań **Le testament d'Oscar Wilde** Peter Ackroyd, 1984 **Metafiction and Myth in the Novels of Peter Ackroyd** Susana Onega Jaén, 1999 Providing detailed analysis of the recurrent structural and thematic traits in Peter Ackroyd's first nine novels this work sets out to show how they grow out of the tension created by two apparently contradictory tendencies These are on the one hand the metafictional tendency to blur the boundaries between story telling and history to enhance the linguistic component of writing and to underline the constructedness of the world created in a way that aligns Ackroyd with other postmodernist writers of historiographic metafiction and on the other the attempt to achieve mythical closure expressed for example in Ackroyd's fictional treatment of London as a mystic centre of power This mythical element evinces the influence of high modernists such as Ezra Pound and T S Eliot and links Ackroyd's work to transition to postmodern writers such as Lawrence Durrell Maureen Duffy Doris Lessing and John Fowles Postmortem Postmodernists Laura E. Savu, 2009 This book scrutinizes the genre of the author as character with respect to three broad issues authorship the posthumous and cultural revisionism that arise in reading such works from a contemporary perspective Late twentieth century fiction postmodernizes romantic and modern authors not only to understand them better but also to understand itself in relation to a past literary tradition aesthetic paradigms cultural formations etc that has not really passed Penelope Fitzgerald's *The Blue Flower* Peter Ackroyd's *The Last Testament of Oscar Wilde* and Chatterton Peter Carey's *Jack Maggs* Michael Cunningham's *The Hours* Colm Toibin's *The Master* and Geoff Dyer's *Out of Sheer Rage* Wrestling with D H Lawrence the mighty dead Harold Bloom are brought back to life reanimated and bodied forth in new textual bodies that project a post modern understanding of the author as a historically and culturally contingent subjectivity constructed along the lines of gender sexual orientation class and nationality Laura E Savu is a lecturer at the University of Bucharest *Oscar Wilde's Chatterton* Joseph Bristow, Rebecca Nicole Mitchell, 2015-01-01 In *Oscar Wilde's Chatterton* Joseph Bristow and Rebecca N Mitchell explore Wilde's fascination with the eighteenth century forger Thomas Chatterton who tragically took his life at the

age of seventeen This innovative study combines a scholarly monograph with a textual edition of the extensive notes that Wilde took on the brilliant forger who inspired not only Coleridge Wordsworth and Keats but also Victorian artists and authors Bristow and Mitchell argue that Wilde's substantial Chatterton notebook which previous scholars have deemed a work of plagiarism is central to his development as a gifted writer of criticism drama fiction and poetry This volume which covers the whole span of Wilde's career reveals that his research on Chatterton informs his deepest engagements with Romanticism plagiarism and forgery especially in later works such as *The Portrait of Mr W H* *The Picture of Dorian Gray* and *The Importance of Being Earnest* Grounded in painstaking archival research that draws on previously undiscovered sources Oscar Wilde's Chatterton explains why in Wilde's personal canon of great writers which included such figures as Charles Baudelaire Gustave Flaubert Thophile Gautier and Dante Gabriel Rossetti Chatterton stood as an equal in this most distinguished company
