heritage folks and foodstuffs How could I not be I was born and reared in Lafayette Louisiana where an infant s first words are not da da and ma ma but crawfish boil and fais do do I have also always been keenly familiar with its volatile history Where these conflicting images and specifically the role of white southern women as catalysts vindicators abettors and antagonists meet forms the crux of this study As such this study of the South by a daughter of the South offers a distinctive perspective that illuminates the texts in novel and provocative ways **Gwen Bristow** Gwen Bristow,1940* **The imperial guide, with picturesque plans of the great post-roads** James Baker (topographer.),1802 **Paterson's Roads ...
