**Guide to Day Spas New York City** Suzanne Burchill,2006-08 Over the last two years a covert team of spies spread out across Manhattan to deliver the only comprehensive and un biased guide to day spas in New York City With hundreds of day spas in the city alone where do you begin Let our spies do the work for you Use this well organized concise and current guide to Get the inside scoop on the best treatments services Discover those hard to find gems Learn what to expect from nearly each and every day spa in the city Determine which spa is right for you at any time Not one treatment was given away to our spies Our reviews are based on each spy spending their own time and money on their spa experience This way our spies experienced spa going the way you do good and bad Suz s Spies The Guide To Day Spas New York City is essential for anyone interested in looking and feeling their best Now you ll have all the answers so get reading and get spa ing Get honest reviews of the vast array of day spas in New York City Hannelore R Levy Founder and Executive Director The Day Spa Association and The International Medical Spa Association A terrifically helpful guide don t book an appointment without it Sarah Mlynowski author of Milkrun and Monkey Business      *Resorts* Robert Christie Mill,2011-09-21 The 3rd Edition of Resorts Management and Operation is a summary of almost 30 years of thought analysis and research into the field of resort management written from a business viewpoint yet takes into account the unique structure of resorts The text is divided into three sections Each section has a philosophical basis for the inclusion of the subsequent principles and practices The first section covers major types of resorts those that are mountain based beach based and golf tennis based Two chapters are devoted to each of the various resort types The first chapters of each resort type focuses on development issues with the impact on operations noted throughout The second chapter in each resort type deals with guest profiles and management issues The second section highlights what makes managing a resort different from managing a regular hotel The final section features a newly expanded chapter on spas pools and indoor water parks along with individual chapters on specialty resorts cruise ships and casinos reflecting the importance of these types of properties      **The Lady Has a Past** Amanda

Quick, 2022-03-29 Beauty and glamour meet deception and revenge in this electrifying novel by New York Times bestselling author Amanda Quick. Investigative apprentice Lyra Brazier, the newest resident of Burning Cove, is unsettled when her boss suddenly disappears. Lyra knows something has happened to Raina Kirk and tracks down her last known appearance at an exclusive hotel and health spa. The health spa is known for its luxurious offerings and prestigious clientele, and the wealthy socialite background Lyra desperately wanted to leave behind is perfect for this undercover job. What Lyra lacks in investigative experience she makes up for in gut instinct, and her gut isn't happy that she's saddled with a partner by Luther Pell. Raina's dangerous lover who wants to bring in someone with more experience to help. Instead of the suave, pistol-packing private eye she expected, though, Simon Cage is a mild-mannered antiquarian book dealer with a quiet academic air and a cool, remote gaze. Lyra suspects that Simon is much more than what he seems, and her instincts are confirmed when they arrive at the spa and pose as a couple. Simon has a unique gift that allows him to detect secrets, a skill that is crucial in finding Raina. The unlikely duo falls down a rabbit hole of twisted rumors and missing socialites, discovering that the health spa is a facade for something far darker than they imagined. With a murderer in their midst, Raina isn't the only one in grave danger. Lyra is next.

## Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **The Herbal Body**

In some sort of inundated with monitors and the cacophony of fast communication, the profound power and mental resonance of verbal art often disappear into obscurity, eclipsed by the continuous assault of sound and distractions.
