The King Of Vinlands Saga:

The King of Vinland's Saga Stuart W. Mirsky,2021-01-31 Revised and Updated Edition Fleeing the ice clad fjords of his native Greenland just ahead of greedy kinsman who would keep his inheritance from him Sigtrygg Thorgilsson half breed grandson of the storied explorer Leif Eiriksson seeks his fortune on the shores of North America last glimpsed by his grandfather some forty years before Making his way across uncharted waters with a hastily assembled crew of untried men he quickly learns that the inhabitants of the new land are less than pleased by their presence and that their survival will depend on their ability to carve a place for themselves in the midst of their skeptical hosts But risking life and limb in a desperate gamble to prove their worth will not be enough as Sigtrygg s angry kinsmen unexpectedly arrive on the coast to dispute what he has won Then only the shrewd counsel of an aged viking and the passion of the woman Sigtrygg left behind offer a way out of the burgeoning blood feud that threatens to engulf them all as storm clouds gather in the distance and a defeated enemy prepares to take his revenge A novel of Vikings and Indians in pre Columbian North America The King of Vinland s Saga reprises the failed settlement history of the Norse on the edge of the North Atlantic in the eleventh century as Europe lay mired in medieval darkness its inhabitants still ignorant of the places and peoples that lay just beyond their reach Book Review Just put down the above book If this was your first endeavor then I am eagerly anticipating your second The book was fantastic It was as enjoyable to me as The Golden Warrior Musashi and With Fire and Sword and other historical fiction novels that grace my bookshelves many of which purchased through your recommendation on Amazon It is nice to read a book and get mad frustrated etc at the characters Thanks again for a pleasurable read Pete Giorgianni **The Encyclopædia Britannica** Hugh Chisholm,1911 **The Viking Princess (Novel Study) Gr. 5-8** Nat Reed,2013-01-13 The Viking Princess is about a twelve year old girl named Edith Valgardsdottir who is expected to tend the family s sheep and clear rocks from her father s fields But Edith dreams of exploring glorious new worlds and becoming a leader of her people Trapped aboard a Viking ship Edith suddenly has the unwelcomed opportunity of being among the first of her village to explore the far off coast of Markland Labrador That is if she can survive her first encounters with the crew of the Signe Capture first hand the flavor and spirit of life with the Norsemen This Novel Study provides a teacher and student section with a variety of activities chapter questions crossword word search and answer key to create a well rounded lesson plan

The Encyclopædia Britannica ,1911 **Myths of the Rune Stone** David M. Krueger,2015-10-01 What do our myths say about us Why do we choose to believe stories that have been disproven David M Krueger takes an in depth look at a legend that held tremendous power in one corner of Minnesota helping to define both a community s and a state s identity for decades In 1898 a Swedish immigrant farmer claimed to have discovered a large rock with writing carved into its surface

in a field near Kensington Minnesota The writing told a North American origin story predating Christopher Columbus s exploration in which Viking missionaries reached what is now Minnesota in 1362 only to be massacred by Indians The tale s credibility was quickly challenged and ultimately undermined by experts but the myth took hold Faith in the authenticity of the Kensington Rune Stone was a crucial part of the local Nordic identity Accepted and proclaimed as truth the story of the Rune Stone recast Native Americans as villains The community used the account as the basis for civic celebrations for years and advocates for the stone continue to promote its validity despite the overwhelming evidence that it was a hoax Krueger puts this stubborn conviction in context and shows how confidence in the legitimacy of the stone has deep implications for a wide variety of Minnesotans who embraced it including Scandinavian immigrants Catholics small town boosters and those who desired to commemorate the white settlers who died in the Dakota War of 1862 Krueger demonstrates how the resilient belief in the Rune Stone is a form of civil religion with aspects that defy logic but illustrate how communities characterize themselves He reveals something unique about America s preoccupation with divine right and its troubled way of coming to terms with the history of the continent s first residents By considering who is included who is left out and how heroes and villains are created in the stories we tell about the past Myths of the Rune Stone offers an enlightening perspective on not just Minnesota but the United States as well
