

The Kings Commissar

**Kyle, Duncan, Armstrong,
Malcolm, Major, Fred**

The Kings Commissar:

The King's Commissar Duncan Kyle, 1984 *The King's Commissar [sound Recording]* Kyle, Duncan, Armstrong, Malcolm, Major, Fred, 1985 From Tribe to Empire Alexandre Moret, Georges Davy, 1926 Comrades and Commissars Cecil D. Eby, 2007 In the summer of 1936 Generalissimo Francisco Franco led a group of right wing nationalists in a military attack on the Republican government of Spain the start of what would become the Spanish Civil War Despite U S laws banning participation in foreign conflicts American volunteers began pouring into Barcelona in January 1937 The most famous of these anti Franco groups was the band of 2 800 American fighters who called themselves the Abraham Lincoln Battalion In *Comrades and Commissars* Cecil D Eby pushes beyond the bias that has dominated study of the Lincoln Battalion and gets to the very heart of the American experience in Spain Controversy has plagued the Lincoln Battalion from the very start Were these men selfless defenders of liberty or un American Communists Eby has long been regarded as one of the few balanced interpreters of their history His 1969 book *Between the Bullet and the Lie* won accolades for its rigorous and fair treatment of the Battalion *Comrades and Commissars* builds upon that earlier study incorporating a wealth of information collected over intervening decades New oral histories previously untranslated memoirs and newly declassified official documents all lend even greater authority and perspective to Eby s account Most significant is Eby s use of Lincoln Battalion archives sequestered in a Moscow storeroom for sixty years These papers draw renewed focus on some of the most provocative questions surrounding the Battalion including the extent to which Americans were persecuted and even executed by the brigade commissariat The Americans who served in the Lincoln Battalion were neither mythic figures nor political abstractions Poorly trained and equipped they committed themselves to back to the wall defense of the doomed Spanish Republic In *Comrades and Commissars* we at last have the authoritative account of their experiences The Man who Killed the King Dennis Wheatley, 2014-05-20 Jun 1792 Aug 1794 The Man who Killed the King tells the story of Roger Brook Prime Minister Pitt s most resourceful secret agent during the Great Terror when more than a million people perished and the Terrorists found that the guillotine did not work quickly enough This the second phase of the French Revolution opened with the storming of the Tuileries in June 1792 and in the months that followed the Liberals were mown down by cannon fire drowned by the thousand and flung back into the flames of villages burnt to the ground And amidst all this brutality and bloodshed Roger Brook a Commissar in Revolutionary Paris faced terrifying hazards trying desperately to rescue Queen Marie Antoinette and other members of the Royal Family from a mob thirsting for revenge *Dictatorship* Carl Schmitt, 2015-01-28 Now available in English for the first time *Dictatorship* is Carl Schmitt s most scholarly book and arguably a paradigm for his entire work Written shortly after the Russian Revolution and the First World War Schmitt analyses the problem of the state of emergency and the power of the Reichspräsident in declaring it *Dictatorship* Schmitt argues is a necessary legal institution in constitutional law and has been wrongly portrayed as just the arbitrary rule of a so

called *Dictatorship* is an essential book for understanding the work of Carl Schmitt and a major contribution to the modern theory of a democratic constitutional state. And despite being written in the early part of the twentieth century it speaks with remarkable prescience to our contemporary political concerns. *Operetta* Robert Ignatius Letellier, 2015-10-05

Operetta developed in the second half of the 19th century from the French *opéra comique* and the more lighthearted German *Singspiel*. As the century progressed the serious concerns of mainstream opera were sustained and intensified leaving a gap between *opéra comique* and vaudeville that necessitated a new type of stage work. Jacques Offenbach, son of a Cologne synagogue cantor, established himself in Paris with his series of *opéras bouffes*. The popular success of this individual new form of entertainment, light, humorous, satirical and also sentimental, led to the emergence of operetta as a separate genre, an art form with its own special flavour and concerns and no longer simply a little opera. Attempts to emulate Offenbach's success in France and abroad generated other national schools of operetta and helped to establish the genre internationally in Spain, in England and especially in Austria-Hungary. Here it inspired works by Franz von Supp and Johann Strauss II, the Golden Age, and later Franz Lehár and Emmerich Kálmán in the Silver Age. Viennese operetta flourished contemporaneously with the Habsburg Empire and the mystique of Vienna, but after the First World War an artistically vibrant Berlin assumed this leading position with Paul Lincke, Leon Jessel and Edouard Knecke. As popular musical tastes diverged more and more during the interwar years with the advent of new influences like those of cabaret, the revue, jazz, modern dance music and the cinema, as well as changing social mores, the operetta genre took on new guises. This was especially manifested in the musical comedy of London's West End and New York's Broadway with their imitators generating a success that opened a new golden age for the reinvented genre, especially after the Second World War. This source book presents an overview of the operetta genre in all its forms. The first volume provides an introduction, a representative chronology of the genre from 1840 to 2013 and a survey of the national schools of France and Austria-Hungary. The principal composers are considered in chronological sequence with biographical material and a list of stage works, selected synopses and some commentary. *David King* Rick Poyner, 2020-01-01

Exploring an unjustly overlooked figure in 20th century British visual culture, this book offers a comprehensive overview to the work and legacy of David King, 1943-2016, whose fascinating career bridged journalism, graphic design, photography and collecting. King launched his career at Britain's *Sunday Times Magazine* in the 1960s, starting as a designer and later branching out into image-led journalism. He developed a particular interest in revolutionary Russia and began amassing a collection of graphic art and photographs, ultimately accumulating around 250,000 images that he shared with news outlets. Throughout his life, King blended political activism with his graphic design work, creating anti-Apartheid and anti-Nazi posters, covers for books on Communist history, album artwork for The Who and Jimi Hendrix, catalogues on Russian art and society for the Museum of Modern Art in Oxford, and typographic covers for the left-wing magazine *City Limits*. This well-researched and finely illustrated publication ties together King's accomplishments as a visual

historian artist journalist and activist **A History of Modern Germany** Hajo Holborn, 1982 A three volume reassessment of the last five centuries of German history *Far From Minimal* Duncan Burns, John W. Rogerson, 2012-03-22 Marking the 60th birthday of Professor Philip R Davies Dr Duncan Burns and John W Rogerson his former student and colleague respectively aim to do him justice They have comprised articles from their peers to reflect on the impact Professor Davies has made in three particular areas of study Hebrew Bible Qumran and Palestinian Archaeology New Testament and Early Judaism and Biblical Interpretation The breadth of this volume aims to reflect the scope interest and influence of Professor Davies from the last 30 years
