of religious narratives and dramatic expression including theologians educators and playwrights Lobingier s insightful analysis not only enhances our understanding of biblical stories but also inspires innovative adaptations that resonate with contemporary audiences     The American Shropshire Sheep Record Mortimer Levering,1919 Includes constitution rules and breeders of the Association     **THE DRAMATISATION OF BIBLE STORIES** Elizabeth Erwin Miller,2012-03-02 The use of dramatization in the school in order to accomplish these ends finds its justification in certain fundamental principles of teaching Subject matter is so presented that the important ideas stand out clearly These ideas are mastered by utilizing them in some form of activity which leads to self expression on the part of the children Judgments are formed and conclusions are reached when children enter actively into a situation which presents a problem ideas become their own through experience Through dramatization children give expression to these ideas in the light of their own interpretation The formulation of standards the placing of values and the realization of truths and ideals follow as direct results of actively entering into the life experience of others     **The English dialect dictionary, being the complete vocabulary of all dialect words still in use, or known to have been in use during the last two hundred years** Joseph Wright,1905     *The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: D-G* Joseph Wright,1900     *County Folk-lore* ,1899     Examples of Printed Folk-lore Concerning the North Riding of Yorkshire, York & the Ainsty Eliza Gutch,1901
