The Lady Of The Pool:

The Floating Pool Lady Ann L. Bittenwieser, 2021-05-15 Why on earth would anyone want to float a pool up the Atlantic coastline to bring it to rest at a pier on the New York City waterfront In *The Floating Pool Lady* Ann L Bittenwieser recounts her triumphant adventure that started in the bayous of Louisiana and ended with a self sustaining floating swimming pool moored in New York Harbor When Bittenwieser decided something needed to be done to help revitalize the New York City waterfront she reached into the city s nineteenth century past for inspiration Bittenwieser wanted New Yorkers to reestablish their connection to their riverine surroundings and she was energized by the prospect of city youth returning to the Hudson and East Rivers What she didn t suspect was that outfitting and donating a swimming facility for free enjoyment by the public would turn into an almost Sisyphean task As she describes in *The Floating Pool Lady* Bittenwieser battled for years with politicians and struggled with bureaucrats as she brought her crazy scheme to fruition From dusty archives in the historic Battery Maritime Building to high stakes community board meetings to tense negotiations in the Louisiana shipyard Bittenwieser retells the improbable process that led to a pool named *The Floating Pool Lady* tying up to a pier at Barretto Point Park in the Bronx ready for summer swimmers Throughout *The Floating Pool Lady* Bittenwieser raises consciousness about persistent environmental issues and the challenges of developing a constituency for projects to make cities livable in the twenty first century Her story and that of her floating pool function as both warning and inspiration to those who dare to dream of realizing innovative public projects in the modern urban landscape

The Play of Justice Dr. Kaushik Chaudhary, 2023-06-22 From the Nyay Darshan of ancient India where the word Justice was defined for the first time humanity has walked a long way to arrive at a different meaning altogether In the 1830s the British destroyed two ancient systems of Indian civilization One was the Gurukul education system in Sanskrit and the second was the concept of Nyay from the Nyaydarshan Nyay was the fundamental way of living for every learned Indian It was expelled under a systemic conspiracy And this novel restores the same idea of Nyay back in modern India It is the story of Sunita Roy an idealistic law student and only daughter of a top industrialist who turns against the system when she sees the killing of her father in front of her eyes and fails to get justice in court She uses all her excellence to expose the impotence of the judiciary system and ensures justice for all in a controversial way When Sunita is about to reach her final success an investigation of a brainy CBI officer Akshara Mathur turns the play to the other side Now the system traps her in her own play And there comes Rohan the love interest of Sunita to rescue her He rescues her but the price she pays for it puts her in front of the self realization of a lifetime
