The Land Of A Million Elephants:

The Green Berets in the Land of a Million Elephants Joseph D. Celeski, 2020-01-10 The untold story of US Special Forces in Laos one of the longest secret wars of the Cold War by a military historian and Special Forces veteran The Secret War in Laos was one of the first long wars fought by US Special Forces spanning a period of about thirteen years It was one of the largest CIA paramilitary operations of the time kept out of the view of the American public until now Between 1959 and 1974 Green Berets were covertly deployed to Laos during the Laotian Civil War to prevent the Communist Pathet Lao from taking over the country Operators disguised as civilians and answering only to Mister were delivered to the country by Air America where they reported to the US Ambassador With limited resources they faced a country in chaos Maps had large blank areas and essential supplies often didn't arrive at all In challenging tropical conditions they trained and undertook combat advisory duties with the Royal Lao Government Shrouded in secrecy until the 1990s this was one of the first major applications of special warfare doctrine Now the story is comprehensively told for the first time using official archival documents and interviews with veterans

Land of a Million Elephants Somboun Joy Niravanh, 2016-02-03 I would like to share a part of my ancestral culture and history using a story I have written of a beloved elephant The elephant graces the once royal flag and is the old symbol of a soon to be forgotten monarchy of the country of Lao The Southeast Asian wars of the nineteen hundreds were fought by brave souls who were misled by greedy and corrupt men who only wanted to seek absolute power and control and ended the reign of the Lan Xang Kingdom For seven hundred years many different ethnicities have settled in this lush jungle paradise It was never the land of any particular group as many shared its majestic mountains and tropical lowlands and all called their home the land of a million elephants Enjoy the story

The Battle for Laos Stephen Emerson, 2020-11-12 A history of the secret war in Southeast Asia in which nearly three million tons of bombs decimated a newly independent nation By 1959 the newly independent Kingdom of Laos was transforming into a Cold War battleground for global superpower competition having been born out of the chaos following the French military defeat and withdrawal from Indochina in 1954 The country was soon engulfed in a rapidly evolving civil war as rival forces jockeyed for power and swelling foreign intervention intensified the fighting Adding even more fuel to the fire neutral Laos's geographic entanglement in the war in neighboring South Vietnam deepened in the early 1960s as Hanoi's reliance on the Ho Chi Minh Trail for moving men and materiel through the southern Laotian panhandle grew exponentially making it a priority target of American interdiction efforts For almost twenty years the fighting between the Western supported Royal Lao government and the communist supported Pathet Lao would rage across the plains jungles and mountaintops largely unseen by most of the world Thousands on each side would die and many more would be displaced as the conflict on the ground ebbed and

flowed from season to season and year to year And in the skies above American and Royal Laotian aircraft would rain down their deadly payloads decimating large swaths of the countryside in pursuit of victory Nearly three million tons of bombs would be dropped on Laotian territory between 1965 and 1973 leaving a legacy of unexploded ordnance that lingers to this day The battle for Laos is a tale of entire communities and generations caught up in a war seemingly without end one that pitted competing foreign interests and their proxies against each other and was forever tied to Washington's pursuit of victory in Vietnam This book tells the story of this so called secret war *Encyclopedia of American Folklife* Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research **The Rough Guide to Laos (Travel Guide eBook)** Rough Guides,2017-09-07 Discover Laos with the most incisive and entertaining guidebook on the market Rough Guides expert authors have done all the hard work for you seeking out the best guesthouses sampling sizzling street food and trekking to remote hill villages then writing it all up with our trademark blend of humour insight and practical advice Whether you plan to lounge on laidback islands in the Mekong river explore ancient Khmer temples or tour the Bolaven Plateau's coffee plantations this new edition of The Rough Guide to Laos will show you ideal places to sleep eat drink and shop along the way with options to suit every budget The Rough Guide to Laos includes stunning photography and colour coded easy to use maps making finding your way around sleepy villages and busy cities a breeze
