The Last Battle Chronicles Of Narnia Paperback Mcmillian:

Joyful Christian C.S. Lewis,1996-06-03 Reprint Originally published New York Macmillan 1984 *HSA Heritage Auctions Rare Books Auction Catalog #6030* James Gannon,2009-09 C. S. Lewis and the Crisis of a Christian Gregory S. Cootsona,2014-01-01 C S Lewis has long been recognized as a beloved author of children s literature and an apologist for Christian belief to a skeptical modern world In this new volume Gregory S Cootsona shows us how Lewis can also serve as a guide to the ups and downs of the Christian journey Like many of us Lewis suffered from a variety of crises of faith and personal experience Like us he came to faith in a world that no longer respects Christian commitment or offers much room for belief in God Like us he felt the absence of God when those closest to him died Like us he wrestled with doubt wondering if God is real or simply the projection of his own wishes onto the screen of the universe Like us he knew the kinds of temptations he described with such poignancy and humor in The Screwtape Letters By examining these and the other crises of C S Lewis s life Cootsona shows us how Lewis found God in each one and how he shared those discoveries with us in his writing All those wishing to deepen and enrich their own spiritual journey will find much guidance and wisdom in these pages A Guide Through Narnia Martha C. Sammons,2004 A Guide Through Narnia was one of the first in depth studies of C S Lewis s seven Chronicles of Narnia The focus and organization of this revised and expanded edition is on why Lewis wrote the books as fairy tales the best Form for his ideas It is written for both students and scholars who want to expand their understanding of these popular classics Chapters include Seeing Pictures How the books were written chronological summaries publication history Selecting the Ideal Form Why Lewis chose the fairy tale form fairy tale elements and style Seeing Man as Hero Child heroes Stealing Past Dragons Characteristics of religious fantasy allegory and supposition Christian elements Stepping Through the Door Themes and effects of fantasy Dictionary of Names and Places Martha C Sammons is Professor of English at Wright State University **The Gospel in the Dock** Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways A Pastor's Highways on the Way to the New Jerusalem Arthur Jarrell Tankersley,2021-10-29 David Brooks wrote in The Second Mountain A pilgrimage is a journey undertaken in response

to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan's Christ's invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands

Exodus Peter Enns,2000 The author shares perspectives on the book of Exodus and its application to our lives today
