Alouette's Song, Second Edition ANDREW JONATHAN FINE, 2015-02-14. Whoever saves a life saves a world: ancient Jewish maxim. Alouette's Song is a New Adult romantic action adventure featuring two couples: one heroic and one support, each having a college-aged teen plus a teen accelerated into college or beyond. Themes from government conspiracy thrillers, inspirational fiction, and coming of age are presented through a dramatic storytelling style infused with frequent humor and irony. There are even a few small paranormal elements: a sworn protector of humanity hiding behind someone else's eyes; a 6000-year-old guardian spirit keeping safe a treasure that, if used selflessly, could save a people; and an inherited gift infused with generation after generation of sacred use from a Jewish village in Eastern Europe.

Meet Dotty and Rick. Dotty is a professional violinist with a GED. Rick is a college sophomore having graduated high school early to pursue interests that steer him away from an abusive home. While not a typical love-at-first-sight scenario, they do get thrown together in a spectacular manner. Dotty gets mugged in a subway and falls onto the tracks of a train due to arrive in a minute, getting injured in the fall. Rick is considering suicide by the very same train, but the moment he decides to do so, he hears Dotty's screams. He places Dotty's need to live above his own need to die. Their collision turns into a kiss that lights up the universe for both of them.

Martin and Margie have been friends from childhood. Margie has autism but is brilliant enough to hide her condition at the price of extreme loneliness. Martin is the only one who accepts her for exactly who and what she is. Margie won't reveal her hopeless love for him because of this, as she knows he's gay. But Margie stumbles onto an answer for them both, having to do with the power of Time. Martin takes Margie's discovery and, along with his engineering talent, utilizes both to build a spacecraft. Soon both couples are together and, in a way over their heads, within the sea of stars, only ingenuity, compassion, valor, and prayer can get them safely home.

As she accepts her fate and marries, religious upheaval is splitting the country and forcing her family to find a new home. In 2014, her granddaughter, molecular biologist Nimita Sachdev, escapes India to run away from the prospect of an arranged marriage. Two generations apart, these two women walk divergent paths but face the same quandaries: who are we, and what is home?

Indian Summer Arthur J. Frankel, 2014-02. Under the shadow of the turbulent 1960s, this is my story of a journey through village India as an American Peace Corps Volunteer. I graduated college in 1966 with no idea of what I wanted to do in life. I asked the Peace Corps to send me to a place that was more different than anything I had ever known. I got what I asked for. India unfolded into a kaleidoscope of fascinating people and unforgettable scenes in a culture that never failed to amaze me. The sights, smells, and sounds of village India offer the backdrop of what happened: some stories quite incredible but all true. After two years, I was infused

with the spiritual and mystical quality that was and still is India something that is almost beyond explaining It cannot be found by touring India or even visiting an ashram but only by living there learning the local language and being with Indians in their homes and work Forty four years after leaving the Peace Corps I returned to village India Surprisingly very little had changed All of the profits from the sale of this book will be donated to the Vishwa Bharati non profit village school in Anavatti India and to the School of Social Work at the University of North Carolina Wilmington to support students and faculty in visiting India
