living under a centralized authority the Lakotas found themselves needing one to galvanize resistance against a relentless and rapidly expanding nation Despite tactical success on a number of battlefields Sitting Bull and the Lakotas lacked the military and political might to form an unyielding consensus on how to deal with the United States aggressive land seizures and military attacks Ultimately on the blood soaked ground at Wounded Knee amid the slaughter of noncombatants and aging warriors the Lakotas would see their independence broken and Sitting Bull's vision of a Lakota nation free of U S influence lost This edition features a new afterword The Red Record of the Sioux Willis Fletcher Johnson,1891

Imperialism and Expansionism in American History Chris J. Magoc,David Bernstein,2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America's imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation's involvement in the World Wars The work also offers extensive coverage of the Cold War and today's ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works Native American Icons Charles River Charles River Editors,2018-01-11 Includes pictures of important people places and events Explains several Lakota Sioux oral legends as well as the origins of the names of each Native American icon Explains the Battle of the Little Bighorn the Nez Perce War and Geronimo's final campaign Five of the best known Native American legends in history are Geronimo Sitting Bull Crazy Horse Chief Joseph and Red Cloud celebrated by Americans today for the very reason they were reviled by Americans of their own day Americans have always appreciated plucky persistent and dogged individuals and there are few examples in the nation's history that represent the fighting spirit better than these Native American leaders The name Geronimo evokes a number of different emotions Those who believed in 19th century America's Manifest Destiny viewed Geronimo and all Native Americans as impediments to God's will for the nation Even today many Americans associate the name Geronimo with a war cry and the name Geronimo itself only came about because of a battle he fought against the Mexicans Over time however those who empathized with the fate of the Native Americans saw Geronimo as one of a number of Native American leaders who resisted the U S and Mexican

governments as their lands were being appropriated often eluding large numbers of soldiers pursuing them Around the same time Sitting Bull and Crazy Horse became legends at the Battle of the Little Bighorn during which an estimated 2 000 Sioux and Cheyenne warriors inspired by one of Sitting Bull s visions routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Sioux and by the end of the decade many of them had surrendered and been moved onto a reservation Sitting Bull and Crazy Horse were two of the last Sioux leaders to surrender and both suffered controversial deaths on reservations Though he has not been remembered as vividly as another member of the Oglala Lakota Crazy Horse Red Cloud led the group for 40 years in war in peace and on a reservation becoming so esteemed and influential that Americans began to mistakenly take him for the leader of the entire Sioux tribe When he died in 1904 most Americans who knew his people s story considered Chief Joseph whose Nez Perc name is Himahtooyahlatkekt Thunder Rolling Down from the Mountains a military genius and an Indian Napoleon This assessment of the Native American leader was based on a 1 500 mile odyssey during which he and his people left their reservation in the hopes of escaping to Canada where the Nez Perc intended to join Sitting Bull and his Hunkpapa Sioux band The real Chief Joseph was a gifted speaker and more diplomat than war leader It s not surprising that Chief Joseph was misunderstood and misrepresented by Americans because his people s name was as well Nez Perc literally means pierced nose in French but it is unclear whether the tribe ever used nose piercing as a form of ornament Native American Icons profiles the amazing lives of the 5 Native American leaders from their origins to their legendary confrontations with the U S Army while also analyzing their lasting legacies Along with pictures of the Native American icons and other important people places and events in their lives you will learn about Geronimo Sitting Bull Crazy Horse Chief Joseph and Red Cloud like you never have before *Hobo Cowboy* Jack Overbey,2018-10-10 As Chief Sitting Bull stepped up on the porch he turned to face the crowd My friends he began by sweeping his right arm around encompassing all in attendance I am called Sitting Bull war chief of the Lakota Sioux but it was not always so My mother and father named me at birth Jumping Badger My name was changed to Sitting Bull after my coming of age vision My ancestors and I grew up in the sacred Black Hills of Dakota where we lived happily for many thousands of years And then the white eyes came We lived by our own tribal law and the law of the great spirit which is true and just then the Great White Father in Washington said he wanted all of our land for themselves and the yellow iron found on it then sending Yellow Hair Custer to our land to find the yellow iron breaking our treaties which we had signed many times but was broken each time by the white man not us They told us upon threat of war and death to give up our sacred land and go live on the white man s reservation They said we must send our children to white man s school learn the white man s ways forget the ways of our fathers and grandfathers plow the Mother Earth they wanted our weapons turned over to the blue coats these things we could not do As any man worth his small ration of salt would do even as the white eyes have done in their civil war we fought for our freedom The Sioux and Their History Mary
