thinking that they heard read the whole Bible every three years The Lectionary edits the Bible Biblical topics offensive to modern readers are omitted Powerful biblical women are ignored Biblical prophetic books are chopped by piecing together verses There is no application of modern biblical analysis The biblical passages presented in the Lectionary have been chosen to fit the liturgical year even though the liturgical year did not exist when the Bible was written The purpose of this book is to present some sobering statistics about the biblical texts found and not found in the Roman Catholic Lectionary reach conclusions about them and suggest alternate biblical texts for use in the Lectionary **Select Readings and Recitations**
