Slices Of Life Writing From North America:

Slices of life : writing from North America [Anonymus AC06966967],1993 **Encyclopedia of Life Writing** Margaretta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company **Finnish Settler Colonialism in North America** Rani-Henrik Andersson,Janne Lahti,2022-12-29 Finnish Settler Colonialism in North America reinterprets Finnish experiences in North America by connecting them to the transnational processes of settler colonial conquest far settlement elimination of natives and capture of terrestrial spaces Rather than merely exploring whether the idea of Finns as a different kind of immigrant is a myth this book challenges it in many ways It offers an analysis of the ways in which this myth manifests itself why it has been upheld to this day and most importantly how it contributes to settler colonialism in North America and beyond The authors in this volume apply multidisciplinary perspectives in revealing the various levels of Finnish involvement in settler colonialism In their chapters authors seek to understand the experiences and representations of Finns in North American spatial projects in territorial expansion and integration and visions of power They do so by analyzing how Finns reinvented their identities and acted as settlers participated in the production of settler colonial narratives as well as benefitted and took advantage of settler colonial structures Finnish Settler Colonialism in North America aims to challenge traditional histories of Finnish migration in which Finns have typically been viewed almost in isolation from the broader American context not to mention colonialism The book examines the diversity of roles experiences and narrations of and by Finns in the histories of North America by employing the settler colonial analytical framework

American Life Writing and the Medical Humanities Samantha Allen Wright,2020-06-16 American Life Writing and the Medical Humanities Writing Contagion bridges a gap in the market by linking the medical humanities with disability studies It examines how Americans used life writing to record epidemic disease throughout history **Forthcoming Books** Rose Arny,1997 **The Oxford English Literary History: Volume 12: The Last of England?** Randall

Stevenson,2005-11-10 English Literature in the 1960s soon threw off its post war weariness and the tepid influences of the previous decade New voices new visions and new commitments profoundly reshaped writing during the 60s and throughout the rest of the century Drama thrived on its rapidly rebuilt foundations New freedoms of style and form revitalised fiction Poetry too gradually recovered the variety and inventiveness of earlier years As well as comprehensively charting these changes in the literary field Randall Stevenson persuasively pinpoints their origins in the historical social and intellectual pressures of the times Literary developments are revealingly related to the wider evolution and profound changes in English experience in the late twentieth century to shadows of war and loss of empire declining influences of class shifting relations between the genders emergent minority and counter cultures and the broadening democratization of contemporary life in general Analyses of the rise of literary theory of publishing and the book trade and of the pervasive influences of modernism and postmodernism contribute further to an impressively thorough insightful description of writing in the later twentieth

century a literary period Stevenson shows to be far more imaginative and exciting than has yet been recognised Lucid accessible and engaging this volume of the Oxford English Literary History presents a unique illumination of its age one we have lived through but are only just beginning to understand The first full account of its period it will set the agenda for discussion of late twentieth century literature for many years to come *Alice Munro* Carol Mazur, Cathy Moulder, 2007-04-23 This bibliography compiled to fill a gap in literary research relating to Munro's work covers all of her fictional writing up to 2005 and includes annotations to interviews Munro's non-fiction writings and hundreds of critical books theses and articles These descriptive annotations coupled with a detailed subject index display the broad range of subject approaches assessments and angles by which her complex deep and multi-layered work has been scrutinized by academics journalists writers and critics **Building That Bright Future** Samira Saramo, 2022-05-30 In the early 1930s approximately 6 500 Finns from Canada and the United States moved to Soviet Karelia on the border of Finland to build a Finnish workers society They were recruited by the Soviet leadership for their North American mechanical and lumber expertise their familiarity with the socialist cause and their Finnish language and ethnicity By 1936 however Finnish culture and language came under attack and ethnic Finns became the region's primary targets in the Stalinist Great Terror *Building That Bright Future* relies on the personal letters and memoirs of these Finnish migrants to build a history of everyday life during a transitional period for both North American socialism and Soviet policy Highlighting the voices of men women and children the book follows the migrants from North America to the Soviet Union providing vivid descriptions of daily life Samira Saramo brings readers into personal contact with Finnish North Americans and their complex and intimate negotiations of self and belonging Through letters and memoirs *Building That Bright Future* explores the multiple strategies these migrants used to make sense of their rapidly shifting positions in the Soviet hierarchy and the relationships that rooted them to multiple places and times **Slices of Life** Thalia Rubio, 1993 B A compilation of unadapted unabridged stories and essays by a series of well-known authors this volume provides insight into modern North American society using North American writings to describe the many different points of view that make up Canadian American and universal cultural themes From such popular authors as James Thurber Roch Carrier Grace Paley and Alice Munro this sourcebook explores a variety of topics of universal interest including the role of the elderly in today's society discrimination handicaps families and justice Suitable for anyone involved or interested in universal societal issues in North America *The Life and Writings of Jared Sparks* Herbert Baxter Adams, 1893
