spent much of her adult life as a mother of four in Vermont and the landscape here is often the everyday raucous holidays and trips to the dentist overdue taxes and frayed lines of Christmas lights new dogs and new babies But in recounting these events to family friends and colleagues she turns them into remarkable stories entertaining revealing and wise At the same time many of these letters provide fresh insight into the genesis and progress of Jackson's writing over nearly three decades The novel is getting sadder It's always such a strange feeling I know something's going to happen and those poor people in the book don't they just go blithely on their ways Compiled and edited by her elder son Laurence Jackson Hyman in consultation with Jackson scholar Bernice M Murphy and featuring Jackson's own witty line drawings this intimate collection holds the beguiling prism of Shirley Jackson writer and reader mother and daughter neighbor and wife up to the light

**The Parthenon Marbles** Christopher Hitchens, 2025-02-04 The most powerful case yet made for the return of the Parthenon Marbles The Parthenon Marbles formerly known as the Elgin Marbles designed and executed by Pheidias to adorn the Parthenon are perhaps the greatest of all classical sculptures In 1801 Lord Elgin then ambassador to the Turkish government had chunks of the frieze sawn off and shipped to England where they were subsequently seized by Parliament and sold to the British Museum to help pay off his debts This scandal exacerbated by the inept handling of the sculptures by their self appointed guardians remains unresolved to this day In his fierce eloquent account of a shameful piece of British imperial history Christopher Hitchens makes the moral artistic legal and political case for re unifying the Parthenon frieze in Athens The opening of the New Acropolis Museum emphatically trumps the British Museum's long standing if always questionable objection that there is nowhere in Athens to house the Parthenon Marbles With contributions by Nadine Gordimer and Professor Charalambos Bouras The Parthenon Marbles will surely end all arguments about where these great treasures belong and help bring a two centuries old disgrace to a just conclusion
