The Life of Metaphors is based upon real life things we see every day This is a new style of reading material that no one has ever read before which will open your mind to metaphors as a new language In one of my chapters I talk about money and how it can be a force of evil For example some people say money isn't everything but people will do anything to get it I also talk about sports and how relevant they are to the players Some of my favorite sports players listed as Tom Brady Peyton Manning Floyd Mayweather Aaron Rodgers and many more show my love of sports Tom Brady's The Brady Bunch and Aaron Rodgers in Mr Rodgers Neighborhood are just examples of why I love watching sports especially those two teams It's so amazing that many TV shows have come and gone which is why I wrote chapter 3 as the old school TV show chapter You'll discover shows such as Gimme a Break Married with Children The Facts of Life Three's Company and many more In this book you will find real life stories of how and where I grew up and that's why I designed chapter 5 for your reading pleasures You also will find the roots of Milwaukee such as chapter 11 which tells about beers and breweries because we are the home of the Brewers If it's credit cards you like there is a story on the different types of credit cards except in a perfect world we all know there are rules and regulations before you swipe You can find this in chapter 8
