Smack Dab:

The Journey Rosetta Perry, 2021-12-25 The book *The Journey* is titled after my first CD project. It is all about the process I went through from beginning to end to record my first CD. The inspiration and message behind the music tell the story of why I wrote each song. I opened up about what was going on in my life that contributed to the songs I share the scriptures that inspired me and the message I wanted to convey to the readers. **Smack Dab** Scott Morse, 2000

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge's commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources, and new glosses. The *New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language.

Dictionary of Southern Appalachian English Michael B. Montgomery, Jennifer K. N. Heinmiller, 2021-06-22 The *Dictionary of Southern Appalachian English* is a revised and expanded edition of the Weatherford Award-winning *Dictionary of Smoky Mountain English*, published in 2005 and known in Appalachian studies circles as the most comprehensive reference work dedicated to Appalachian vernacular and linguistic practice. Editors Michael B. Montgomery and Jennifer K. N. Heinmiller document the variety of English used in parts of eight states ranging from West Virginia to Georgia, an expansion of the first edition's geography which was limited primarily to North Carolina and Tennessee, and include over 10,000 entries drawn from over 2,200 sources. The entries include approximately 35,000 citations to provide the reader with historical context, meaning, and usage. Around 1,600 of those examples are from letters written by Civil War soldiers and their family members, and another 4,000 are taken from regional oral history recordings. Decades in the making, the *Dictionary of Southern Appalachian English* surpasses the original by

thousands of entries There is no work of this magnitude available that so completely illustrates the rich language of the Smoky Mountains and Southern Appalachia **Prairie** Kittredge McKee,2022-07-27 Frankie Harding finds herself alone on the vast prairie of the Nebraska Territory in 1863 With the loss of her family to fever along the trail West ten year old Frankie is faced with the decisions and choices of an adult With her only other options of turning back East to a life and home that no longer exist or waiting by the trail for some unknown person or family to take her in Frankie chooses to make her own way West Fully aware that she has no idea of what to expect Frankie learns that the journey across the prairie is the same for her as anyone else it s about taking one step at a time on the prairie learning one lesson at a time She knows that along with a team of horses and a wagon filled with all she has left in life it s her own character and passion that will take her to the homestead that waits for her somewhere out on the vast prairie This is Frankie s story about traveling home about going the distance and finding something permanent both inside herself and across the prairie It s a story about loving life about holding onto life and about building a life Ultimately it is a hero s journey a journey of the heart and the spirit
