Screech,2015-04-15 Christian laughter is a maze you could easily get snarled up within it So says Michael A Screech in his note to readers preceding this collection of fifty three elegant and pithy essays As Screech reveals the question of whether laughter is acceptable to the god of the Old and New Testaments is a dangerous one But we are fortunate in our guide drawing on his immense knowledge of the classics and of humanists like Erasmus and Rabelais who used Plato and Aristotle to interpret the Gospels and incorporating the thoughts of Aesop Calvin Lucian of Samosata Luther Socrates and others Screech shows that Renaissance thinkers revived ancient ideas about what inspires laughter and whether it could ever truly be innocent As Screech argues in the minds of Renaissance scholars laughter was to be taken very seriously Indeed in an era obsessed with heresy and reform this most human of abilities was no laughing matter On Sympathetic Grounds Naomi Greyser,2018 On Sympathetic Grounds lays out sympathy s vital place in shaping North America Naomi Greyser intersperses theoretical reflection on the affective production of space with analysis of vales of tears heart rending oratory and emplotment of narrative and land in work by Sojourner Truth Sarah Winnemucca Hopkins Nathaniel Hawthorne and others **R.
