Small Circle Of Beings:

Small Circle of Beings Damon Galgut, 2012-11-01 The family that small circle of beings where love should flourish can be an arid and alienating territory where hatred and violence may ignite On the surface Small Circle of Beings the novella which gives its title to this collection concerns a family living what would appear to be an idyllic life When the couple's only child falls ill tension and strain begin to take their toll and the hairline cracks and fissures in his parents' relationship gradually widen and split open until a marriage that seemed solid and secure falls irretrievably apart Galgut's economy of style and his chilling gift for understatement and the macabre are nowhere more eloquently displayed than in this gripping story The same sensitive and atmospheric writing can also be seen in the shorter stories Lovers Shadows The Clay Ox and Rick Small

Atkinson, 2022-11-13 In The Secret Doctrines of the Rosicrucians William Walker Atkinson delves into the intricate philosophies and esoteric teachings of the Rosicrucian order an enigmatic movement that emerged during the late Renaissance The text unfolds with a clear and didactic literary style blending metaphysical concepts with practical applications Atkinson's exploration is deeply rooted in the spiritual and philosophical context of his time intertwining elements of Eastern mysticism and Western esotericism to illuminate the transformative potential of human consciousness and the pursuit of hidden knowledge William Walker Atkinson 1862-1932 was an influential figure in the New Thought movement and a prolific writer on topics of personal development and spirituality His interest in mystical traditions and metaphysical thought fueled his desire to share the Rosicrucian teachings which he believed held the keys to self

empowerment and spiritual enlightenment Atkinson's extensive background in both law and philosophy provided a unique lens through which he examined the often cryptic doctrines of the Rosicrucians helping to demystify their complex principles for modern audiences I highly recommend *The Secret Doctrines of the Rosicrucians* to anyone seeking a deeper understanding of esoteric teachings or looking to integrate spiritual wisdom into daily life Atkinson's insights offer valuable guidance for both novice seekers and seasoned practitioners making this work an essential contribution to the scholarly discussion of mystical traditions

The Secret Doctrine of the Rosicrucians William Walker Atkinson, The student of the history of occultism and the esoteric teachings and even the average reader of current books and magazines finds many references to The Rosicrucians a supposed ancient secret society devoted to the study of occult doctrines and the manifestation of occult powers But when such person seeks to obtain detailed information concerning this supposed ancient order he finds himself baffled and defeated Before acknowledging the futility of the quest however he usually investigates one or more so called orders having as a part of their title the word Rosicrucian only to find himself invited to join such order upon the payment of a fee or fees ranging from a small amount in some cases to quite large amounts in others each order claiming to be the only original order and asserting that all the others are base imitators This book will give you all the insights on this secret order
