Reid, 1993 Using up to date statistical and econometric techniques this book discusses the role of small business enterprise in a mature market economy and evaluates the real behaviour of small firms in a contemporary competitive environment Small Business Enterprise, 1993 **CARICOM Single Market and Economy**

Kenneth O. Hall, Myrtle Chuck-A-Sang, 2007 IBSS: Economics: 1993 Vol 42, 1994 This bibliography lists the most important works published in economics in 1993 Renowned for its international coverage and rigorous selection procedures the IBSS provides researchers and librarians with the most comprehensive and scholarly bibliographic service available in the social sciences The IBSS is compiled by the British Library of Political and Economic Science at the London School of Economics one of the world's leading social science institutions Published annually the IBSS is available in four subject areas anthropology economics political science and sociology **The Economics of Self-Employment and Entrepreneurship**

Simon C. Parker, 2004-02-19 As self employment and entrepreneurship become increasingly important in our modern economies Simon C Parker provides a timely definitive and comprehensive overview of the field In this book he brings together and assesses the large and disparate literature on these subjects and provides an up to date overview of new research findings Key issues addressed include the impact of ability risk personal characteristics and the macroeconomy on entrepreneurship issues involved in raising finance for entrepreneurial ventures with an emphasis on the market failures that can arise as a consequence of asymmetric information the job creation performance of the self employed the growth innovation and exit behaviour of new ventures and small firms and the appropriate role for governments interested in promoting self employment and entrepreneurship This book will serve as an essential reference guide to researchers students and teachers of entrepreneurship in economics business and management and other related disciplines

*Economic Organization, Capabilities and Coordination* Nicolai Foss, Brian Loasby, 2013-06-17 Themes of market coordination and the firm are very topical now Both editors are big names in the field This volume traces an unorthodox approach which will be welcomed Volume includes work by Richardson which shows his ideas have continued to develop

**The Economics of Entrepreneurship** Simon C. Parker, 2009-11-12 Entrepreneurship is an integral part of economic change and growth Yet until recently it has been largely neglected by economists In *The Economics of Entrepreneurship* Simon C Parker draws on theoretical insights and recent empirical findings to show how economics can contribute to our understanding of entrepreneurship The book is based on an earlier work *The Economics of Self employment and Entrepreneurship* Cambridge 2004 that has quickly become an essential reference for academics researching the economics of entrepreneurship Written in a more accessible style this book contains much that made this earlier work so successful and in addition includes improved pedagogical features and new material on the theory of the firm spin offs nascent entrepreneurship growth enhancing knowledge spillovers and social entrepreneurship It can be used both as a reference text

for academics from a variety of disciplines and as a textbook for graduate students      *Political and Economic Analysis of State-Owned Enterprise Reform* Huiming Zhang, 2021-07-29 In revisiting the forty year history of reforms to China's state owned enterprises SOE the book assesses the experiences of this process of reform and scrutinizes how this has helped advance the country's economy overall The author finds that China's SOE reform not only commits to institutional innovation within the corporation in terms of operating mechanisms management structure legal organization and the economic system of the enterprise but that it is also underpinned by a series of policies that highlight an increasing market orientation The measures have given rise to a benign interaction between enterprise reform and market development while switching the SOE's role from appendages of government organs under a planned economic system to more autonomous entities that integrate public ownership and the market economy In this regard SOE reform's success in constructing a modern enterprise system serves as the micro foundation and core of an improved socialist market economic system The book will appeal to academics and students interested in political economy and the Chinese economy with particular reference to SOE reform and the recent economic transition in China      *The Formation and Development of Small Business* Peter

Johnson, 2008-04-21 This book brings together thirty years of original empirical research on key aspects of the formation and development of small firms from selected articles authored or co authored by Peter Johnson Complete with a comprehensive introduction from the author placing the work in relation to the contemporary debates on the subject and providing a cohes

**De Gruyter Handbook of SME Entrepreneurship** Marina Dabić, Sascha Kraus, 2023-11-06 A small business is not a little big business Small and medium sized enterprises SMEs are considered the engines of worldwide economies and the main sources of job creation Management in these companies is different from management in larger older enterprises with their already established concepts and instruments In view of the high importance of SMEs in emerging developing and developed economies worldwide the De Gruyter Handbook of SME Entrepreneurship investigates the underlying mechanisms and practices of management within these companies with a focus on entrepreneurship growth and innovation It argues that it is time for a dedicated theory of SME Entrepreneurship to emerge Entrepreneurial thinking and behavior in SMEs must be differentiated from that of start ups and large companies On the other hand it also explores the different entrepreneurship manifestations that exist within a widely heterogeneous group of SMEs The handbook provides a theoretical framework in which to understand compare and contrast the complexity of SMEs in both domestic and international processes and addresses the strengths achievements and challenges of entrepreneurship in SMEs      **Venture Capital Investment** Gavin
