Small Christian Communities Today Joseph G. Healey, Jeanne Hinton, 2005 How can churches in America modeling the oldest Christian communities renew themselves from within They can look to examples of thriving small Christian communities within their own country and throughout the world This inspiring book shows what is happening now across six continents to give pastors and lay leaders of every denomination encouragement through useable examples from their counterparts around the world Living Cells James O'Halloran, 2010 Vision and practicalities of small Christian communities and groups **The Church as the Family of God and the Care for Creation** Khisi, Maximian, 2019-02-19 Of late there has grown in African Catholicism the concept of Church as the Family of God *Familia Dei* which has enhanced greater social cohesion among the members of the Church and strengthened interpersonal relationships among them This book is an endeavour to offer a path towards the solution of the problem of environmental crisis through the theological discipline of ecclesiology Using the Catholic Archdiocese of Lilongwe's understanding of Church as the Family of God the book concludes that the application of the concept of Church as family of God while bringing great social cohesion among the people failed to extend to human relationships with the natural world in fact It has broadened the human feeling of superiority over the natural environment The book provides an ecclesiological complementarity which promotes a universal fraternity among people and the natural world and recommends an ecclesiological concept of Church as New Creation *Nova creatio* This would serve as a call for human beings to make a new ecological conversion leading new lifestyles change in their models of nature worldviews and change in the models of production and consumption **Small Christian Communities and the Parish** John Paul Vandenakker, 1994 Examines the pastoral and theological implications of North American Small Christian Community programs **The Way of the Sea** Roald Kverndal, 2008-01-01 The sea has been both a source of bounty and a bridge of communication through the ages The Way of the Sea explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to *The Seamen's Mission* Kverndal's comprehensive survey of maritime mission presents both historical and current perspectives While The Way of the Sea provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers *The New Evangelization*, 2015-02-26 The Second Vatican Council endorsed an engagement with the modern and secularized world through a renewed proclamation of the Gospel John Paul II described this as the New Evangelization and in 2010 Benedict XVI confirmed this priority by creating the Pontifical

Council for Promoting the New Evangelization to re propose the perennial truth of the Gospel The New Evangelization was the subject of the Synod of Bishops in 2012 and in 2014 Pope Francis gave his reflections on the topic in *Evangelii Gaudium* The New Evangelization draws on material presented and discussed at the conference Vatican II 50 Years On The New Evangelization organised by Leeds Trinity University on 26 29th June 2012 Part I traces the historical and theological links between the Council and the New Evangelization Part II examines the renewed understanding of the Church as a result of the Council and the extent to which it is shaped by civilization Part III analyzes the nature of the New Evangelization and its outworking in today s multifarious context of cultures religions and societies Part IV deals with the implementation of the New Evangelization by different communities and organizations and the issues this raises In the Introduction and Conclusion the editors reflect on the New Evangelization in the light of significant developments since 2012
